Many wonderful things are happening at Bill Hefner Elementary School. Each day we make it our goal to provide a school where all students, staff, and parents want to be. Providing a safe and caring environment that focuses on academic and personal growth for all children is our mission.

As we focus on continuous improvement, we strive to make Bill Hefner Elementary a warm and friendly environment where all students are able to succeed. Our school continues to be recognized as a North Carolina "Honor" School of Excellence. Our students continue to make progress in all academic areas as a result of everyone in the community working together as a team.

It is our belief that all students can be successful if we continue to provide them with the quality education the community has come to expect from Bill Hefner Elementary School. We continue to strive each day to assist all students in becoming successful, life-long learners.
