E.E. Miller Elementary School opened in 1991 as a traditional school. In 2000, E.E. Miller became a School of Choice with a Year-Round program. Currently, we have over 750 students in Pre-K through fifth grade. Our motto is "Year Round Education - Where Our Journey of Learning Never Ends." We experience many benefits from the year-round schedule. Starting each July, students attend school for nine-week sessions followed by three-week breaks. The year-round schedule promotes school spirit, retention of academics, positive behavior, and improved morale.

E.E. Miller has been distinguished with many honors that include National Blue Ribbon, Governor's Entrepreneurial Award, and Golden Key Award. We offer educational opportunities to meet the needs of all children, including looping, team teaching, and multi-age programs. Our teachers use a variety of research-based methods to motivate and engage students in their learning. Visitors will observe students actively involved in cooperative learning lessons, morning meetings, learning centers, hands-on science and math instruction, and more. We are proud to be the Home of the Bulldogs, where we have created a learning environment that is caring, safe and celebrates the many successes of our students.

Shannon Booth, Principal

No student or employee in the Cumberland County Schools shall, on the basis of age, sex, race, religion, national origin, marital status, or handicapping condition, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity.
