The administration, faculty and staff of Gallberry Farm Elementary School pledge to treat each child as we would like our own children to be treated. We are committed to providing the kind of environment where your children want to come everyday and where you want them to be everyday.

We pledge to facilitate the growth of our students toward becoming responsible decision makers. We teach our students to identify their needs and meet their needs in productive ways. We teach students to set goals and develop plans to make them a reality.

Gallberry Farm Elementary School strives to provide an educational environment designed to meet the needs of all students.

We desire your support and involvement as we work together to provide a caring, safe environment where our students experience academic success.

We pledge to model sensitivity and respect for each other's differences, while preparing each student to be a productive member of society.
