Welcome to Manchester Elementary, the best kept secret in the Cumberland County Schools. We are located in the heart of Spring Lake and take pride in the fact that we are working with our community leaders in creating a caring, challenging and comprehensive school for all of our students.

Our goal is to provide a welcoming and safe environment where all students are excited and engaged. We aim to help students to look past any barriers set before them in order to be successful learners.

We invite you to join us on our flight to success by becoming involved in the school. Please take the time to visit the school and walk the hallways with us. By working together, we will enrich our community and enhance our students' educational experience for a lifetime.

Go Eagles!
