Welcome to Hope Mills Middle School. I am looking forward to an exciting and successful school year. The middle school years are very important in a child's life. Students need positive role models; our roles as teachers, parents, and administrators are so very important as this is the time that our children develop into successful teens. At Hope Mills Middle, all students are challenged academically, as we want everyone to reach their full potential.

My door is always open to you as a student, parent, or concerned community member. Together we can make a difference.

Sincerely,

Cherie N. Hinton, Principal
