ATTENDANCE POLICY

Class attendance and participation are critical elements of the educational process and may be considered in assessing academic achievement. We take attendance each period at Jack Britt. A student **must be present for 50% or more of the class** in order to be counted present for that class.

In order to be considered in attendance, a student must be present in the school for the school day or at a place other than the school with the approval of the appropriate school official for the purpose of attendance or a school activity that has been officially authorized under the policies of the Board of Education. Such activities may include field trips, athletic contests, student conventions, musical festivals, or any similar approved activity.

The responsibility for school attendance will be that of the home. Parents and students are expected to cooperate with teachers and administrators to ensure regular attendance. To achieve an efficient and workable program regarding student attendance, the following procedures will be implemented:

1. Once a student arrives on school campus, the student becomes the responsibility of the school. The student may not leave campus unless lawfully signed out by a parent/guardian. Students who leave campus without permission will be charged with truancy.
2. The classroom teacher and the Attendance Office will keep daily records of attendance, check-ins, and check-outs. Classroom attendance will be recorded each quarter on the report card.
3. Students who are absent ten consecutive days without notifying the school will be dropped from the roster. Students under 16 will be considered truant and reported to the District Attorney's Office.

A. EXCUSED ABSENCES

The superintendent, principal or the superintendent or principal's designee is authorized to excuse a student temporarily from attendance due to sickness or other unavoidable cause. When a student must miss school, a written excuse signed by a parent or guardian must be presented to the student's teacher on the day the student returns after an absence. The student is also required to provide other satisfactory evidence of the excuse upon request by the teacher, principal or principal's designee. An absence may be excused for the following reasons:

1. personal illness or injury that makes the student physically unable to attend school;
2. isolation ordered by the local health officer or the State Board of Health;
3. death in the immediate family, including, but not limited to, grandparents, parents, brothers and sisters;
4. medical or dental appointment;
5. participation as a party to an action or under subpoena as a witness in a court proceeding or administrative tribunal;
6. a minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent or legal guardian with written approval from the principal. The superintendent or designee may approve additional absences, provided they do not interfere with the education of the student. The student shall have the opportunity to make

up any tests or other work missed due to the excused absence for a religious observance;

7. participation in a valid educational opportunity, such as travel or service as a legislative or Governor's page, with prior approval from the principal or designee and in accordance with any requirements established by the principal or superintendent;
8. absence due to pregnancy and related conditions or parenting, when medically necessary; or
9. a minimum of two days each academic year for visitation with the student's parent or legal guardian if the student is not identified as at risk of academic failure because of unexcused absences and the student's parent or legal guardian (a) is an active duty member of the uniformed services as defined by policy 4050, Children of Military Families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

In addition, a student whose parent or legal guardian (a) is an active duty member of the uniformed services as defined by policy 4050, Children of Military Families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting will be granted up to five additional excused absences upon approval by the superintendent or designee to visit with his or her parent or legal guardian.

Absences due to extended illnesses generally require a statement from a physician.

In the case of excused absences, short-term out-of-school suspensions, and absences under G.S. 130A-440 (for failure to submit a school health assessment form within 30 days of entering school) the student will be permitted to make up his or her work in accordance with section D of this policy. (See also policies 4110, Immunization and Health Requirements for School Admission, and 4351, Short-Term Suspension.) The student is responsible for finding out what assignments are due and arranging a time with the teacher to make up assignments missed during class time.

B. SCHOOL-RELATED ACTIVITIES

All classroom activities are important and difficult, if not impossible, to replace if missed. Principals shall ensure that classes missed by students due to school-related activities are kept to an absolute minimum. The superintendent is responsible for designating which school-related activities are permissible and consistent with State Board policy. Specifically, the following school-related activities with prior approval from the principal or designee will not be counted as absences from either class or school:

1. field trips sponsored by the school;
2. job-shadowing and other work-based learning opportunities, as described in G.S. 115C-47(34a);
3. school-initiated and -scheduled activities, such as student conventions and music festivals;
4. athletic events that require early dismissal from school;
5. Career and Technical Education student organization activities approved in advance by the principal; and

6. in-school suspensions.

Assignments missed for these reasons are eligible for makeup by the student in accordance with section D of this policy. The student is responsible for finding out what assignments are due and arranging a time with the teacher to make up assignments missed during class time.

C. EDUCATIONAL OPPORTUNITIES

1. College/University Visits: *Student must submit official documentation from the college/university for absence to be coded as an “Educational Opportunity.”*

2. A “REQUEST FOR ABSENCE FORM” is available in the Main Office. This form must be submitted to the principal ten (10) days prior to the absence, along with official documentation.

D. UNEXCUSED ABSENCES

This is defined as:

1. A student’s willful absence from school with or without the knowledge of the parent.
2. A student’s absence from school for any reason other than those listed under “Excused Absences” and/or “School-Related Activities” and/or “Educational Opportunities”.

Parents who refuse to comply with the health regulations of a community, such as compulsory vaccination, thereby causing a student to be excluded from school, or parents who permit a student to stay home or to be employed in any way contrary to the Child Welfare Law, shall be responsible for the nonattendance of the student.

The board policy for student attendance further incorporates by reference any additional rules and regulations of the State Board of Education governing compulsory school attendance and student accounting.

1. All students are required to submit to their 1st period teacher a parent or doctor’s note giving the reason for each absence from school. Students have 2 (two) days to submit a written excuse, after which the absence is considered unexcused.
2. **It is the student’s responsibility** to coordinate arrangements with the teacher(s) and complete make-up work and tests within 3 (three) school days upon the student’s return to school. Make-up work for extended absences will be considered by teachers and administrators. Make-up work may not be completed during class time. All make-up work must be completed before or after school.

E. CHECK-INS/TARDY POLICY

1. Student must present school ID/picture ID when checking in.
2. Students checking in 8:30 a.m. or later will be coded as unexcused unless documentation of a lawful excuse is submitted.
3. A student may present valid documentation of a professional appointment (*example: doctor, dentist, lawyer, or court note*).
4. Disciplinary action may result after 4 (four) unexcused absences/check-ins.
5. Athletes must be present in school for 51% of the day to participate in Athletics.

BUS TRANSPORTATION

School Transportation Service is a **privilege and not an inherent right**. Students may lose this privilege by violating bus conduct rules. Students **MUST** ride their assigned bus. Students may not ride any other bus without written permission from an administrator. Bus notes from a parent/guardian must be submitted to the Main Office by 8:21 a.m. the day the student wishes to ride a different bus. Buses are provided for students living beyond walking distance of the school. The bus driver has full charge over all students riding his/her bus.

Students will observe the directives of the school bus driver and all other rules outlined in the code of conduct at all times while riding school transportation. The school principal, assistant principal and/or principal designee has the authority to suspend students from riding the bus for the following infractions, as well as any others announced during the year.

1. Delaying the bus schedule.
2. Fighting, smoking, vaping, using profanity, and/or refusing to obey the instructions of school authorities or bus driver while riding the bus.
3. Tampering with a school bus.
4. Refusing to meet the bus at the designated stops.
5. Unauthorized leaving of the bus when traveling from home to school or vice versa.
6. Playing, throwing trash, paper or other objects while the bus is in operation.
7. Violation of Cumberland County School Board Rules.
8. Failure to observe established safety rules and regulations.
9. The bus stop is part of school property. All students must exit the bus and go home. Anything occurring from the bus stop to home may result in disciplinary action.
10. Once the bus has been parked and students have disembarked, the vehicle is off limits for all students until the dismissal bell sounds at the end of the school day. The school bus is not a student lounge or a lunchroom.

Suspension from the bus may last from one day through the remainder of the school year, depending on the nature of the offenses. All Jack Britt and Cumberland County rules for student behavior apply while riding the bus.

Cumberland County buses have scheduled times of arrival for stops on their routes. On a normal school day, students should allow a ten (10) minute leeway before and after their scheduled time of pick-up. Students must be standing at the designated bus stop when the bus arrives. The driver will not wait for late students. Please allow more time throughout the school year on inclement weather days or when problems may arise due to mechanical problems. On rare occasions a bus may have to run a double route. The school will make every effort to inform parents/guardians if buses are running unusually late. ***Here Comes the Bus App*** allows you to view the real-time location of your bus. Please feel free to call the administrator in charge of buses if you have any questions.

Buses are instructed to follow a set schedule. Students must be at the bus stop within the given window of time and must be on the bus after school no later than 6 (six) minutes after dismissal in the afternoon. Students who do not meet this time requirement may be denied access to the bus and have to arrange alternative transportation.

CAFETERIA & FOOD/DRINK

There are designated lunch periods. Students must eat during the lunch period assigned to them. Please observe the following rules in the cafeteria. Failure to do so may result in disciplinary action.

1. All breakfast/lunch food and drink **MUST BE** consumed at a lunch table.
2. Everyone must dispose of his/her paper, dishes, eating utensils, trash, and trays when he/she has finished eating.

DRESS CODE

“What students wear and how they look is a reflection of the pride they take in their school and in themselves.”

We want our students to look like they have come to school to work hard and achieve greatness. If we are going to adequately prepare our young people to succeed in the world we must prepare them to be able to follow rules and be able to live up to high expectations. First impressions count, when visitors enter our building, we want them to notice a distinct difference and know they are in Jack Britt High School. Consequently, with all of this in mind, we believe these expectations to be reasonable and expect full cooperation on the part of the student body.

1. Hats, toboggans, sweatbands, bandanas, do-rags or other head coverings are not permitted to be worn or attached/hanging from an article of clothing or other personal belongings. All head coverings must be kept in the locker for the entire school day.
2. No bedroom attire or pajama pants. Pajama pants are defined as pants with an open fly, or button or snap fly.
3. All tops, whether shirts or dresses, must cover the entire shoulder, back, and abdomen. No tank tops, spaghetti strap tops, crop tops, belly shirts, or muscle shirts permitted. No clothing that shows cleavage.

All Cumberland County Schools will make any necessary religious accommodations for any type of headgear or head coverings otherwise restricted or prohibited under existing individual school dress codes.

No student shall be suspended out of school based solely upon violation of an existing individual school dress code.

BOOK BAGS

In an effort to do all that we can to ensure the safety of students, we restrict the use of **tote bags, book bags, athletic bags, drawstring bags, oversized bags, or other similar items** used for transporting books, athletic equipment, school supplies or personal items, etc. These types of bags may only be used while transporting items to and from school, but they may not be carried to class, in-between classes, to the gym, dance class, or to the cafeteria for lunch. Any large bag or purse used to hold books, notebooks or any other such items will be considered a book bag. Immediately upon the student's arrival at school, any book bag, athletic bag, or similar item must be deposited in the student's locker. Students are required to secure valuables in their locker with a combination lock.

ONLY an "Official Jack Britt Mesh Bag" or plastic grocery bag may be used to transport PE/and dance apparel to class during the school day. JBHS mesh bags will be available for purchase to all students.

TOBACCO USE

All Cumberland County Schools, to include Jack Britt High School, are smoke free campuses. No tobacco products, to include electronic cigarettes, are permitted inside the building or outside on school grounds.

CELL PHONES/CONFISCATED ITEMS

After the 8:30 a.m. bell, items that interfere with the learning environment of Jack Britt High School will be confiscated. These items include, but are not limited to, electronics (including cell phones, AirPods, earbuds, smart watches, and iPods), laser pens, etc. For smart watches or other similar devices, students must disable the sync mode, to include Bluetooth, during the school day. Any other device used for any purpose other than a time piece will be confiscated.

- The school is **NOT** responsible for confiscated items.
- Cell phones/electronic devices and other confiscated items may be picked up Monday through Friday **ONLY** between the hours of 3:40 p.m. and 4:00 p.m. by the parent/guardian.
- For a first-time offense, the teacher will take the device for the remainder of the class period.
- For a second-time offense, the item will be sent to the Main Office for student pick up at the end of the day.
- For a third-time offense and each offense thereafter, the item will be sent to the Main Office and kept for 5 (five) school days, a parent/guardian may pick up on the 5th (fifth) day.
- Any student refusing to surrender the cell phone, electronic device or other prohibited item to school personnel will be automatically suspended.
 - *Refusal to Teacher – Three (3) Days RJC*
 - *Refusal to Administrator – Five (5) Days RJC*

DISCIPLINE

If a student is suspended or in the Restorative Justice Center (RJC) on any given day, they are not eligible to participate in any extracurricular activity sponsored by the school, including athletics, until the following day.

PUBLIC DISPLAYS OF AFFECTION

Noncompliance with the rules listed below may result in disciplinary action.

1. There will be no kissing.
2. There will be no hugging.
3. There will be no hand holding.
4. There will be no inappropriate touching of any kind.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that governs the maintenance of student records. Under this law, parents or students (who are least 18 years of age) have both the right to inspect records kept by the school about the student and the right to correct inaccuracies in the records. Access to the records by persons other than the parents or the student is limited and generally requires prior consent by the parents of the student.

Copies of this policy may be found in the office of the Superintendent and in the Principal's office of each school within the Cumberland County School System. Complaints about failures of school personnel to comply with the Family Educational Rights and Privacy Act may be made, in writing, to FERPA Office, Federal Building No. 10, 600 Independence Avenue, Washington, D.C. 20202.

DRIVER'S ELIGIBILITY

Upon completion of the Driver's Training class, a parent/guardian may obtain a Driver Eligibility Form which is required to obtain a Learner's Permit from the DMV. Forms are available in the Main Office between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday (*Monday –Thursday during summer*). The Driving Eligibility certificate shows that the student is making adequate progress and has not dropped out of school. In order to obtain the certificate, the parent/guardian must be in attendance and present the following items:

- An original/certified copy of the student's birth certificate or a valid military ID.
- A Driver Education Completion Certificate.
- Parent/guardian government-issued valid ID.
- The parent must be in attendance and is required to sign the Driving Eligibility Certificate in our office.

The Driving Eligibility Certificate is only valid for **thirty (30) days**. *If the certificate expires a new certificate can be reissued by bringing in the old certificate.*

ACCIDENTS

All accidents and injuries must be reported immediately and documented by a school official. Anyone injured while on school property or during a school sponsored activity must immediately report it to a teacher, coach, or other school personnel. An “Accident Report” must be completed and submitted to the office manager as soon as possible following the incident. These reports are submitted to the Risk Management Office daily.

EMERGENCY EXIT DOORS

These doors are for use as they are named: **EMERGENCIES ONLY**. Students may not use emergency doors at any time unless it is an emergency. These doors are to be treated the same as the glass doors leading into the atrium. **DO NOT OPEN DOORS** to exit the building or to allow someone to enter the building!

EMERGENCY PREPAREDNESS DRILLS

Fire, tornado, earthquake, campus intruders, and other drills as deemed necessary will be performed regularly. Fire drills are very important and NC State Law requires they are practiced at least once a month. The standard fire alarm system will be used to alert all personnel in the event of a fire, for a tornado a continuous series of three (3) short rings of the bell will signal impending danger. Routes for the nearest evacuation exit are posted in each room. There shall be no talking when leaving and returning to the class. Students should remain with the class so the teacher may take roll.

ENTERING/EXITING THE BUILDING

Students may enter/exit the school only by the main entrance. Students may not use Gym Vestibule doors, emergency exit doors, hut/band teacher entrances, etc. Students may not prop any outside door open to return to the building; doors left propped open are a violation to security. The Atrium doors will be locked after the 8:30 a.m. bell and will remain locked. Any student entering the building will need to enter through the security door by using the buzzer and check-in through the attendance office.

CARE OF SCHOOL PROPERTY

Responsible students and good citizens need not be reminded that Jack Britt High School has an excellent school facility that should be respected in every way and kept in top condition. Defacing or damaging walls, desks, doors, lockers, walkways, books, and other property is a sign of idleness and poor citizenship. Each year a large amount of money must be spent to refinish, repair, and replace equipment that has been needlessly damaged by irresponsible persons. The facility and equipment should be used appropriately and not abused. At Jack Britt we respect our school and try our best to see that it is protected from abuse. Needless to say, anyone who damages or destroys school property will be expected to pay for that property. According to the seriousness of the offense, additional disciplinary action may be taken.

DELIVERIES

Jack Britt High School will not accept any deliveries for students to include but not limited to deliveries by any mail service, florist, or any other businesses. This includes students or parents/parents bringing or dropping off items onto the campus that may distract from the learning environment to include but not limited to: balloons, flowers, food, etc.

SELLING OR SOLICITING ON SCHOOL CAMPUS

No student is allowed to sell any items or to solicit business for individual or any group for any reason without the express written consent of the principal.

LOCKERS AND LOCKS

Your homeroom teacher will assign you a locker. Locks are encouraged and any lock that is not a combination lock will be removed from the locker. The student must only use the locker that has been assigned to him/her; students may not share lockers with other students. Students are responsible for the upkeep of their locker. No posters, writing, stickers, or insignias are permitted on or in the lockers.

The school will not be responsible for articles or books lost from a student's locker. Students are also reminded that there will be no sharing or exchanging of locks or lockers. Any items found in a locker are deemed to be the property of the student assigned to that locker. Therefore, if any unacceptable or unlawful items are found in a student's locker, that student may be subject to disciplinary or legal action. Any violation of locker rules may result in loss of locker privilege or in-school (RJC)/out-of-school suspension.

P.E. LOCKER ROOM

It is the student's responsibility to secure their personal items in a gym locker with a lock that will be removed at the end of class. Students are not to share a gym locker. The school will not be responsible for any item(s) not properly secured in a locker.

VENDING MACHINES

1. Jack Britt High School will not be held liable for any currency lost in a vending machine located on the school campus. Student use of vending machines is at their own risk.
2. Vandalism of any of the vending machines will result in disciplinary action.
3. Cafeteria vending machines may be used by students during all lunches.

VISITORS

All visitors must enter the building through the security door, using the buzzer, located at the far right of the main entrance. JBHS has a 100% ID Policy and requires all visitors to show a valid picture ID each time they come on campus. Students may not bring guests on campus at any time during the school day; this specifically includes, but is not limited to, former graduates of JBHS, immediate family members, relatives, pre-school children, friends, or anyone else regardless of age.

TRANSPORTATION AND PARKING

The safety of all students, staff and visitors is very important to us at Jack Britt High School. Therefore, it is necessary to have transportation, parking and drop off rules. Personal transportation is a privilege, not a right and can be revoked at any time for not obeying the rules. These rules have been established to achieve our goal of keeping students driving automobiles, riding bicycles, walking or riding with parent(s)/guardian(s) safe. We need the cooperation of all students and parents to help us meet this challenge. It may be inconvenient or take a little more time to follow the proper procedure each day, but for a child's safety we feel it is worth the delay. Please understand the need for these rules and help us keep traffic flowing smoothly and everyone involved safe.

No student or parent/guardian may be in the teacher parking lot or bus parking lot at any time for any reason between the hours of 6:30 a.m. to 4:00 p.m., Monday through Friday during the academic year.

The building does not open until 7:45 a.m. for supervision of students.

Visitors to the campus may park in the "Visitor" spaces in front of the school when on campus for a meeting. Numbered spaces are paid for and assigned to individual students. Students may not park in the visitor spaces.

- The building does not open until 7:45 a.m. for supervision of students.
- Parents and students must follow the JBHS traffic pattern for drop off and pick-up in front of the school. Approaching the school, there is no left turn at the stop sign to enter the parking lot. There are two traffic lanes into the school. There is no stopping in the left lane.
- Parents may only stop in the righthand lane to pick-up/drop off students.
- Once a student arrives on the JBHS campus, they are not permitted to leave campus without a parent lawfully signing them out, until the end of the school day.

DECAL INFORMATION

- Once a student arrives on the JBHS campus, they are not permitted to leave campus without a parent or emergency contact person lawfully signing them out, until the end of the school day, regardless of age or grade level.
- Parking decals and/or temporary permits will not be sold to freshmen.
- Sophomores may be given the opportunity to purchase decals after the start of the year. Announcements will be made if and when they become available.
- Students must upload a completed "Student Parking Registration" form signed by a parent/guardian, a valid driver's license, vehicle registration and a current insurance card to purchase a decal or temporary parking pass. Please see jbhs.ccs.k12.nc.us for Student Parking Application.
- Students who do not follow safety and parking lot rules/directions, or who leave school early or arrive late, may lose their parking privileges.

PARKING RULES

1. Violation of the rules or illegal use of a vehicle on school grounds may result in permanent suspension of school parking privileges. The first offense or

violation of parking will result in an automatic loss of driving privileges for a minimum of two (2) weeks. Student vehicles illegally parked on school campus (*example, no decal, under suspension, unauthorized area*) will be towed at the owner's expense.

2. **Students and parents are not permitted to enter or to park in the faculty/staff parking lot. No student is to be dropped off or picked up in the faculty/staff parking lot located on the side of the school. Drop-offs and pick-ups are ONLY in the front of the school from the right lane.**
3. Only Seniors may park in their assigned parking space. They may not park in any space designated as visitor or admin. They may only park in the space for which they have a numbered sticker or in the student general parking lot. Failure to comply may result in loss of parking privileges.
4. Underclassmen or Seniors (who do not have a Senior sticker) may park in any spot in the Underclassmen Lot. These spaces are not reserved.
5. Students are not permitted to loiter in their cars or in the parking lot at any point of the day. Upon arriving on campus, students must vacate their vehicle and enter the school building. After school, students not on campus for extra-curricular activities need to vacate the premises; failure to do so may result in disciplinary proceedings.
6. Students and/or parents/guardians are not permitted to park or drop off in the Bus parking lot.
7. All students who park a vehicle, bicycle, or scooter at Jack Britt High School are required to obtain an application from the Main Office and display an authorized parking decal. Only students assigned to an 11th or 12th grade Homeroom are eligible to purchase parking decals and temporary permits unless space becomes available and under the discretion of administration. All students are eligible to purchase a permit for a bicycle or scooter.

BICYCLE REGISTRATION:

All bicycles ridden and parked on campus must be registered. "Bike Registration Forms" are available in the Main Office and must be completed and submitted before riding/parking on campus. Just as driving a car on campus, riding a bike on campus is also a privilege – not a right.

1. Parking a bicycle is only allowed in bicycle racks, not chained to a tree/shrub, fire hydrant, posts, door rail, etc.
2. Riding a bicycle on campus is a privilege and students can be suspended for unsafe movements, darting into traffic, riding on sidewalks, riding into crowds of people, etc.
3. Bicyclists must adhere to NC State Law and the rules cited on the "Bike Registration Form."
4. Jack Britt will not be held liable for stolen or damaged bicycles; bicycles must be secured a bicycle rack. DO NOT leave your bike unattended or unsecured.

SEARCH AND SEIZURE

SCHOOL PROPERTY:

Desks, lockers, and other equipment which belongs to the school or school district, and even though assigned to particular students for use, may be entered and searched by school officials whenever said school officials have reasonable suspicion that some item, substance, or other material is contained therein which is illegal, harmful to the safety of the student or the student body as a whole, or significantly disruptive of or dangerous to the overall discipline of the school.

STUDENT'S PERSON:

The Board of Education authorizes teachers and administrative personnel who have reasonable suspicion that a student or students are in possession of weapons, illegal drugs, or other items harmful to the student or students or to the welfare of the student body, to search the person of said student(s) under the following conditions:

1. Any such action shall not be taken unless there is a reasonable suspicion which can be substantiated if necessary.
2. Any search of student's person shall be done privately by an administrator of the same sex as the student to be searched. At least one (1) witness, also of the same sex as the student, should be present throughout the search.
3. Reasonable belief on the part of a teacher or an administrator may be based upon information from such sources as faculty members, reliable students, a law enforcement officer, visual evidence, reports from reliable parent, or any of these factors.
4. The content of this policy shall be in written form and placed in a prominent location in each student handbook. It shall also be disseminated verbally to students at the start of each scholastic year. The Board of Education shall consider such notification as adequately satisfying and procedural requirement.

FACULTY LOUNGE/FACULTY WORKROOM

Students **are not allowed** in the teachers' workroom or lounge for any reason before, during, after school, or during after-school activities. Teachers will be responsible for keeping students out of these areas and should not send a student to the lounge/workrooms for any reason. The lounge or workroom is a place for school personnel only. Only student office assistants performing their duties may be in the workroom.

LOST AND FOUND

The lost and found is located near the elevator by the C100 Hallway. Inquire in the Main Office for wallets, handbags, jewelry, eye glasses, keys etc. Students may look for lost items before school, during their assigned lunch or after school is dismissed. Students who find lost items are asked to bring them to the Main Office.

OFF-LIMIT AREAS

There are certain areas on campus that are off-limits to students during the school day. They are as follows:

1. Bus Parking Lot
2. Student and Faculty Parking Lots
3. Athletic Facilities, unless under the direct supervision of a teacher, coach, or administrator
4. Shrubbery and trees around the school campus
5. All quads and hallways during lunch
6. All stairwells during lunch.
7. Teacher workrooms and/or lounges
8. **Faculty Parking Lot and Bus Parking Lot; no pick-ups or drop-offs!**
9. Hut doors (B, D and E) will remain locked throughout the day, except during class exchange. There will be a teacher to monitor the doors between class exchanges. Students should only use the main entrance to the school to enter the building. During class time if a student needs to go outside to the huts or inside the main building from the huts, they will need to use the front entrance. Students who have a 4th period class in the huts will be allowed to bring their book bag so they can go directly to the bus afterschool. Students leaving the huts will not be allowed to come back into the building from D hall at the end of 4th period.
10. **Entering/Exiting the Building:** Students/Visitors may only enter/exit the building through the main doors located in the front of the building. Students may not enter/exit or open any other doors located throughout the building to enter/exit or allow another student/visitor to enter/exit the building. All visitors must report to the main office for anything other than checking in/out their student.

THEFT PREVENTION

The best method of theft prevention is to be conscious of the possibility of theft occurring and strive to eliminate these opportunities. Each student and employee of the school has a responsibility in the area of theft prevention; however, the school cannot be responsible for items that are lost or stolen. Listed below are some suggestions to help prevent theft:

1. The best prevention is not to bring valuable items to school.
2. Never leave anything in a locker that does not have a lock. Never leave cameras, jewelry, money or valuables in a locker, even if it has a lock. This includes gym lockers.
3. Never leave anything other than clothing in the physical education dressing rooms. Valuables should not be taken to the gym. Any item placed in a gym locker during class must be secured with a lock. A lock should be brought to PE each day.
4. If you are staying after school for a club meeting or practice, the same theft-prevention habits you would follow during school should be followed.
5. Remember: No one steals your lock unless you give another student your combination or you leave it **UNLOCKED!**

You deserve to be safe.

No one has the right to abuse you or someone you know.

No child or teen should be:

- Forced to go without food in their home.

It's not your fault if you are being treated this way.

It is wrong if you are suffering this pain, fear or sadness.

Some people scare or threaten children so that they won't tell.

If any of these have happened to you or a friend, you do not have to handle this alone.

There are people who care about you and want to help.

When you tell someone, you can get the help you need to stop the abuse or neglect.

Sometimes, but not always, these can be signs that abuse or neglect may be happening:

Physical Abuse

- hitting
- kicking
- choking
- shoving

Emotional Abuse

- ignoring
- mocking
- name-calling
- blaming

Sexual Abuse

- sexual acts between an adult and youth
- forced sexual acts by an older child
- adults touching a youth's body in areas normally covered by underwear

Child Neglect

- Parent/Caregiver does not provide care such as:

 - a safe place to stay
 - appropriate treatment for injuries and sickness
 - access to school/education

Bullying

- repeated, targeted, aggressive behavior
- use force, threats, or teasing to overpower
- being socially shut out of a group
- can hurt physically, emotionally, or both

Online Abuse

- uncomfortable or sexual conversations
