

Notice of Cancelation

To: Respective Bidders

Date: April 4, 2022

Project: Cumberland County Schools
**Eastover-Central Elementary School
HVAC Renovation**

The apparent low responsible bidder for the Re-Bid of Eastover-Central Elementary School HVAC Renovation was reviewed. The Base Bid submitted was well over the project budget without any concentration of the alternates. For this reason, the Owner has elected to reject the bids and cancel the project at this time. We will review bidding this project in the future.
