

Notice of Cancelation

To: Respective Bidders

Date: February 16, 2022

Project: Cumberland County Schools
**Gray's Creek Elementary School
HVAC and Window Replacement**

We received one bid for the Re-Bid of Gray's Creek Elementary School HVAC and Window Replacement. The Base Bid submitted was well over the project budget without any concentration of the alternates. For this reason, the Owner has elected to reject the bid and cancel the project at this time. We will review bidding this project in the future.
