Bid Evaluation: Bids are requested on the items and/or equipment as hereinafter specified. Bidders are cautioned that any/all information furnished or not furnished on this bid may be used as or in determining award of this contract.

Award Criteria: As provided by statute, award will be based on the lowest and best bid(s) (most advantageous to CCS) as determined by consideration of:	
1. Prices offered	7. Functional Equivalency to specifications stated herein
2. Quality of products offered	8. Samples, if requested
3. General reputation and performance capabilities of the bidders	9. Conformity of Product Specifications
4. Conformity with terms and conditions of this Invitation for Bids	10. Product's Presentation and Finish
5. Delivery/installation schedule offered	11. References
6. Durability and Suitability of items for intended use	

Basis for Rejection: Cumberland County Schools (CCS) reserves the right to reject any and all offers, in whole or in part, by deeming the offer unsatisfactory as to quality or quantity, delivery, price or service offered: non-compliance with the requirements or intent of this solicitation; lack of competitiveness; error(s) in specifications or indications that revision would be advantageous to CCS; cancellation or other

changes in the intended project, or other determination that the proposed requirement is no longer needed; limitation or lack of available funds; circumstances that prevent determination of the best offer; or any other determination that rejection would be in the best interest of CCS.

Samples: Samples are not required prior to bid opening date; however, if required later, bidder agrees to furnish samples of items offered at no expense to CCS within fourteen (14) consecutive calendar days after request is made by CCS. Bids which do not comply with these requirements will be subject to rejection.

Brand Names: Items referenced and specified herein are based upon a particular manufacturer, but are used for the purpose of identification and to establish a general quality level. Such references are not intended to be restrictive, and functionally equivalent products of other manufacturers will be considered. However, bidders are cautioned that any deviation from specifications must be pointed out in their bid. Functional equivalency shall be determined by CCS. CCS shall not be obligated to accept deviations if deemed not to be in the best interest of CCS.

Award of Contract: It is the general intent to award this contract to a single overall bidder. The right is reserved, however, to make awards on the basis of individual items or groups of items, if such shall be considered by CCS to be most advantageous or to constitute its best interest. Bidders should show unit prices, but are also requested to offer their most favorable total lump sum price. If the North Carolina Statewide Term Contract price for any item is lower than what the successful bid is, CCS is released from its obligation to purchase under this contract.

Award Notification: After the bids have been evaluated and an award has been made, each vendor who submitted a bid will be notified of the award. The award may not be made for several weeks dependent upon the complexity of the acquisition and the length of time to complete the evaluation process.

Timeline for Complete Order: Cumberland County Schools reserves the right to order portions of the total items in phases, not to exceed twelve (12) months from the date the bid is awarded. Bid prices should be held firm for the duration of the contract. No minimum or maximum quantities are guaranteed. CCS reserves the right to increase or decrease the quantities as needed. Bidders should disclose minimum order quantities if applicable. Bids without minimum order quantities will be given more favorable consideration.

Budgetary Limitations: Should it become necessary, based upon budgetary limitations, CCS reserves the right to reduce or increase quantities. Therefore, bidders must include freight in the “each” pricing for each line item, as well as identifying a per unit installation cost for each line item.

Late Bids: Regardless of cause, a late bid will not be accepted and will automatically be disqualified from consideration. It shall be the Vendor’s sole risk to ensure delivery at the designated office by the designated time. Late bids will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

Confidentiality of Bids: In submitting its bid, the bidder agrees not to discuss or otherwise reveal the contents of its bid to any source outside of CCS until after the award of the contract. All bidders are advised that they are not to have any communications with CCS during the evaluation of the bids (after the public opening of the bids and before the award of the contract) unless CCS contacts the bidder for the purpose of seeking clarification. A bidder shall not: transmit to the issuing and or using agency any information commenting on the ability or qualifications of any other bidder to provide the advertised equipment, defects, errors and/or omissions in any other bidder’s bid and/or prices at any time during

and/or award of the contract that is subject of this IFB. Bidders not in compliance with this provision may be disqualified, at the option of CCS, from the contract award.

Electronic Procurement: Purchases shall be conducted through the NC E-Procurement service. If not already registered, the awarded bidder must register with NC E-Procurement within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this contract. The successful bidder(s) shall pay to NC E-Procurement a transaction fee of 1.75% (.0175) on the total dollar amount (excluding sales taxes) of each purchase order issued through the NC E-Procurement service. This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order.
