Addendum 2: Tutoring Services

Bid: 173-23012

The purpose of this addendum is to correct and further clarify answers to questions previously answered on Addendum 1 for this RFP.

Number	Question	Response
16.	Is this program currently operating in the district and, if so, how many students are participating and how many tutors are employed? Also, if currently in the district how many different vendors are under contract?	<ul style="list-style-type: none"> ● At this time we don't have a set number of tutors and students since the school year hasn't begun. ● This program is not currently operating.
17.	Must all tutors be "highly-qualified" instructors in the sense that they are state certified in their area of instruction?	<ul style="list-style-type: none"> ● Tutors can be certified or classified employees. All tutoring personnel will be given quality training and professional development.
27.	Math and reading are specifically mentioned in the Purpose of the RFP. Will this RFP serve only math and reading or does the district have an interest in other subjects?	<ul style="list-style-type: none"> ● The focus is on Reading and Math.
31.	For presentations on Sept. 14, what are the district's expectations for professional development for teachers?	<ul style="list-style-type: none"> ● Provide an overview of your services, costs, impact in other places, and staffing structures.
35.	Will every school in the district receive the services outlined in this RFP?	<ul style="list-style-type: none"> ● At this time Tier 1 Schools will have first priority.
42.	So that we can understand volume, could you estimate an anticipated number of participating students? What criteria will be used to identify students for tutoring services? Or will sessions be offered to all students? Will parents opt students in or out?	<ul style="list-style-type: none"> ● Scope will be decided upon after diagnostic screeners.
