

Take the Pledge

We pledge to

Work with Cumberland County, the City of Fayetteville and Sustainable Sandhills to participate in the 5 for Friday campaign and create a cleaner, healthier, safer place to live, work and play.

Collect five pieces of litter in and around our property every Friday.

Actively invite our employees and fellow entrepreneurs to join the campaign and support them in their endeavors to reduce litter.

Become part of a joint effort to build pristine business areas, attracting customers and strengthening our community.

Thank you for your pledge and participation in the 5 for Friday campaign. Please recycle me when you are finished!

SUSTAINABLE SANDHILLS

Tear off and return to whoever gave this to you
