- Graduation from high school is a milestone in the life of a student and his or her family. The dignity of the occasion can best be observed by refraining from whistling, yelling, or applauding for any one student. This will allow families to hear the name of their graduate. Your congratulations can be shown by applause for the total group after the turning of the tassel. We also ask your cooperation in taking pictures. No one should leave their seat to take a picture or video.
