

Pathway to a Safe and Healthy Return

Return to Some In-Person Instruction

The Pathway to a Safe and Healthy Return Plan calls for staff to report to work on January 4, 2021, and students to return on a staggered schedule beginning January 7, 2021. Note: High school teachers involved in testing will report to work in December 2020.

GUIDING PRINCIPLE 1

Ensure a healthy and safe learning environment for students and staff

Positive Screening Actions

- **Employees** will be sent home immediately and provided telework opportunities as feasible.
- **For students**, bus riders/walkers will be placed in the isolation room with a face covering (as tolerated) until parents can pick up.
- **Car riders** will not be permitted to exit the vehicle.
- **Visitors** will not be permitted to enter the building.

Child Nutrition Services

Prime Time Operational Schedule

Prime Time will operate Monday thru Friday, 7am-6pm to serve children in both A and B cohorts for in-person and virtual learning. First Day of the Prime Time program is January 6th, 2021.

GUIDING PRINCIPLE 4

Design training, time, and support for staff to prepare for a successful reopening

Work Attendance Protocols

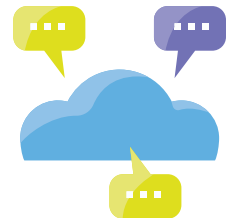

- Staff who fail to complete the verbal questionnaire will not be allowed to enter their work site until they do so.
- Staff who screen positive for symptoms will be excluded from work.
- All staff must wear face coverings and follow social distancing protocols.

Preparation for Student Transitions

- Hallway movement and classroom movement will be monitored for social distancing.
- Lunch will be eaten in classrooms.
- Limit movement for students when possible.

GUIDING PRINCIPLE 5

Share proactive, transparent communication with families and staff

Internal and External Communications

Stay up-to-date with the reopening news and information with the CCS Website, eBlasts, billboards, ParentLink Calls/Texts/Emails, Social Media, and Coffee Conversations.
