

## Comprehensive Progress Report

**Mission:**

I am a Brentwood eagle soaring  
Safely on my way  
Organized everyday  
Accountable for what I do  
Respectful to me and you.

**Vision:**

We, the Brentwood family, are committed to providing a safe, respectful and caring environment with challenging experiences to promote success for all.

**Goals:**

Brentwood Elementary's EOG Math proficiency grades 3-5 will increase to 58% with a NC school report card grade C.

Brentwood Elementary's EOG ELA proficiency grades 3-5 will increase to 48% with a NC school report card grade C.

Brentwood Elementary's EOG Science proficiency grade 5 will increase to 45% with a NC school report card grade C.

Brentwood Elementary will close the achievement gap between African American students and students with disabilities and increase proficiency in reading with both of these subgroups by the end of the 23-24 school year.

Core Function:		Dimension A - Instructional Excellence and Alignment			
Effective Practice:		High expectations for all staff and students			
KEY	A1.07	ALL teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them.(5088)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		At this time, all teachers do not positively teach, employ and reinforce classroom rules and procedures.	Limited Development 10/10/2022		
<i>How it will look when fully met:</i>		At full implementation, all teachers will positively teach, employ and reinforce classroom rules and procedures. Social and emotional expectations will be consistently taught and not assumed that students come to class with these skills already present. Information that will provide evidence when the objective is fully met includes posted rules and procedures in each classroom, a decrease in office discipline referrals and a demonstration of appropriate management of social and emotional behaviors by all students. Faculty and staff will utilize ABE within the classroom to reinforce expectations and improve classroom discipline.		Danielle Bell	06/30/2024

10/10/22	All classroom teachers will complete ABE training. Evidence of completion will include training documentation and sign in sheets.		Complete 10/09/2023	Jessica Bagley	12/20/2023
<p><i>Notes:</i> 9/11/23 - Extended the date so we can train new employees.</p> <p>12/15/22 - Due to a few changes in employment the date has been changed to the end of the school year to ensure all staff have the opportunity to be trained.</p> <p>11/14/22 One teacher is utilizing it and learning ABE right now and admin will meet again to push out for all staff in December. Teachers will be trained on ABE and how to incorporate the modules into their SEL and classroom time as needed for students.</p> <p>10/10/22 - Training will take place the end of October/Beginning of November</p>					
10/10/22	Peers will share successful strategies and procedures for creating a positive emotional classroom climate where rules and procedures are established and reinforced with high expectations through peer observations as assigned by administration.			Danielle Bell	03/30/2024

*Notes:* 11/14/22 - PBIS team has held a snow cone day for quarter 1 and has a dance planned for quarter 2 for students who receive enough PBIS/dojo points. Resource teachers give out 3 points per class for appropriate behavior and each day students have the opportunity to earn 5 class dojo points in their homeroom class. Admin has met with one grade level to get them back on track for PBIS points and behavior.

9/12/22 - Teachers have discussed the PBIS matrix with students and PBIS points will start 9/13.

10/10/22 Guidance Counselors will provide lessons utilizing the Second Step program once a month to provide SEL lessons for grades K-5.

Danielle Bell

06/30/2024

*Notes:* 12/12/22 - Counselors are working on managing distractions with students K-5 on SEL and second step.

11/14/22 - Counselor meets with Kindergarten, 1st and 5th grade every week and 2nd, 3rd, and 4th one a rotating weekly basis.

10/10/22 - Guidance is meeting with grade levels monthly to incorporate SEL with second step into classes.

10/10/22 Leadership team will review ABE data monthly to determine areas that need additional support. Leadership team will meet with PLC teams to discuss data and strategies to address concerns and highlight positives.

Danielle Bell

06/30/2025

*Notes:* 10/9/23 - Leadership team has completed ABE training and all discipline concerns should be placed in ABE for accountability and documentation. Leadership team will review the data monthly to see if we need to address concerns.

10/10/22 The PBIS team works collaboratively with classroom teachers to design behavior managing strategies and consequence alternatives in order to promote and support positive student conduct.

Danielle Bell

06/30/2025

Notes: 10/9/23 We had our PBIS kick-off and it went really well. Students are continuing to earn points in class. PBIS matrix is posted and students know the expectations. Please give points throughout the day.

11/14/22 Will follow up with resource teachers to ensure that they are all following PBIS point procedures.

12/12/22 - Students will have their next PBIS program on January 6. Students are earning and doing well in the classrooms.

10/10/22 - PBIS celebrated sno cones for students with 75 PBIS points on Friday 10/7/22. Next PBIS incentive will be week of October 31.

9/12/22 - PBIS pep-rally kick off on Friday 9/9 was a success. PBIS points start tomorrow 9/13/22, First celebration of students must have 70 points and will have a snow cone party.

10/10/22		K-5 teachers will continue to incorporate Meaningful Math Tasks, and CCS resources with Envision into their lessons. Leadership team will provide mini PD during PLC's on Meaningful Math Tasks throughout the school year.		Lorraine Heath	06/30/2024

*Notes:* 9/11/23 - We decided to continue a year in order to ensure we are continuing to make growth.

3/13/23 Teachers are using the meaningful math tasks in their classroom lessons. C&I team has seen them in use and commended us on doing a great job.

10/4/2022 Instructional Coach Modeled Meaningful Math tasks with teachers during PLC week of 10/3/2022

10/10/22 Teachers are creating Individual Reading Plans (IRPs) and Personalized Education Plans (PEPs) for students without IEPS to target instruction based on mClass data (NC ELI for Kindergarten). Benchmark data will be used to update IRPs and PEPs throughout the year.

Lorraine Heath

06/30/2024

*Notes:* 9/11/23 - We decided to extend this a year as we continue to work on ensuring students success and making sure we have tiered interventions in place for individualized plans.

3/13/23 - MOY PEPs are going home with report cards on Friday 3/17/23. Staff who have concerns of retentions have submitted those names to Mrs. Yates.

12/15/22 - Teachers have been meeting with their students in progress monitoring and working on the ISRs and PEPs. MOY will be in January and ISRs and PEPS will be updated and conferences will be held with parents to discuss updates in their learning.

10/24/22 Teachers sent home the first set of letters on who had an Individual Reading Plans (IRPs) for students without IEPs to target instruction based on mClass data (NC Eli for kindergarten). The letters specified what increased services would be given and in which targeted areas. The leadership team discusses updated data from mClass each week based off progress monitoring.

10/10/22 Students with disabilities will receive remediation on identified standards where mastery has not been achieved. Additional staff has been hired utilizing Title I funding to support students not working on grade level based on data.

Lorraine Heath

06/30/2024

*Notes:* 9/11/23 - We decided to extend this a year as we continue to work on ensuring students success and making sure we have tiered interventions in place for students with disabilities.

10/24/22 We currently have 4 remediation teachers, asking for approval for a learning recovery facilitator position from Title I funding from SIT and Title I. We have reserved funding from Title I for after School tutoring to start in January for at-risk, bubble students, Students with disabilities and our African-American population.

10/10/22 Remediation teachers paid for from Title I funding are pulling small groups based on testing data.

10/10/22 Leadership team will frequently visit classrooms utilizing IRounds or feedback forms to monitor classroom instruction.

Lorraine Heath

06/30/2025

*Notes:* 10/9/23 irounds and observations are being completed at this time.

10/24/22 Leadership is completing iRounds each week on teachers on a consistent basis.

10/10/2022 Leadership team is visiting classrooms daily to leave feedback on classroom instruction.

10/10/22 Leadership team will work in PLC's to produce short and long range instructional plans.

Lorraine Heath

06/30/2025

*Notes:* 9/11/23 - Decided as a team to extend this one more year as we have met growth and would like to continue to push students towards success in using the data and planning that occurs in PLC.

12/15/22 - Leadership team meets each week in PLCs to ensure that teachers have short and long range plans in place. Lesson plans are reviewed weekly.

11/14/22 Leadership team meets weekly in PLCs to go over updated data with teachers and ensure they have current assessment information.

10/24/22 Instructional Coach and admin meet with teachers weekly in PLC meetings. Data is discussed each week to see what needs retaught and how to adapt planning for the upcoming week(s).

10/10/2022 Instructional Coach meets with the teachers weekly to discuss lesson plans and unit mapping to incorporate into lessons.

Core Function:		Dimension A - Instructional Excellence and Alignment			
Effective Practice:		Student support services			
KEY	A4.01	The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.(5117)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		<p>The administrative team is not consistent in ensuring teachers are delivering evidence based instruction and that lessons are aligned with the needs of students in all tiers.</p> <p>Currently, our staff is accustomed to providing tiered interventions for students who are experiencing academic struggles. Grade-level teams collaborate to identify and implement tier 2 interventions based on a student's academic data and adjust the interventions as needed based on progress or lack thereof. These interventions consist of differentiated instruction in a small group format. If the 2 interventions do not meet the need of a student, tier 3 interventions would be discussed, assigned, and monitored through the MTSS/SST Teams. If the student continues to struggle, he/she would ultimately be referred to the IEP Team for testing and determination if he/she qualified for EC services. These interventions are very important in identifying and meeting the needs of our English Language Students and our Students with Disabilities. Both of these groups have struggled academically behind other students in our school. The tiered interventions and services will help us identify and meet the student's specific needs.</p>	Limited Development 10/10/2022		

<p><b>How it will look when fully met:</b></p>	<p>Teachers will continue to collaborate with their grade-level team and the instructional team to identify students that need to be referred to MTSS for additional support in reading, math or SEL. The MTSS team which includes the grade-level teachers will work to identify barriers to progress, analyze data and put interventions into place to support the whole child. This process is imperative to identifying barriers for our students that are ELL or EDS; additionally, it assists in identifying SWD that may need support in other areas. The MTSS team will support the teacher in implementing and tracking these students and their interventions; the team will meet back to review PEPs and determine the next steps based on each individual student's progress using progress monitoring data. Students that do not make adequate progress will have interventions adjusted or will be bumped to Tier 3 supports moving forward; through this process the team will also be able to determine which students should be referred to SST for a possible referral for additional support beyond MTSS.</p>		<p>Janessa Edmonds</p>	<p>06/30/2026</p>
<p><b>Actions</b></p>		<p><b>0 of 2 (0%)</b></p>		
<p>10/10/22</p>	<p>Each teacher will use assessment data to create and plan for daily small groups that will take place during the last half of the instructional block in math and reading (Science for 5th Grade).</p>		<p>Leadership Team</p>	<p>06/30/2026</p>

Notes: 10/9/23 - Small group lesson plans are completed during PLCs and checked weekly. Small group plans are based off current assessment data to ensure students success. Instructional coaches will continue to give PD in PLCs on small group lesson plans and ideas/activities shared by the county.

5/8/23 - SIT decided to extend this another year so we can continue to work on this next school year.

4/17/23 - PLC meetings are focused on small group planning and using the information gained from MClass and Mastery Connect to form groups based on standards. These plans are created and placed in the shared google drive. C & I will be here 4/18 to review data and do classroom observations.

2/13/23 - County C & I will be here Thursday, they are looking for small group as that is our focus. Teachers were concerned about enough time for ELA and Math next year. Admin will be working closely with grade levels to create schedules for next school year to ensure sufficient time is allotted for each subject.

1/9/2023 - County C&I team are coming in to work with our administration team and teachers three times in the month of January to ensure small groups are being effective and planned for effectively.

12/15/22 - PLC meetings are held weekly and updated successmaker and Mastery Connect data is discussed weekly. This data is used to form small group lesson plans for the students.

11/14/22 - Teachers need to focus on productive small group session to help move students to where they need to be.

9/12/22 - focus of PLCs is planning for and implementing small group instruction; lesson plan format shared with teachers, resources to be utilized, etc.

10/20/22 Members of the MTSS team (i.e. counselor, social worker) will meet in PLC meetings monthly to discuss students of concern (tiered interventions and support).

MTSS Team

06/30/2026

Notes: 10/9/23 - The MTSS team has met in PLC meetings to go over the progress of students and who may need to be moved to another tier, or pushed through SST. Teachers are reaching out when they have questions and concerns.

4/17/21 - Teachers have met with parents and the team for students who they are concerned about. PEPs have been completed and students are progressing through their Tier I, II, or III interventions.

1/9/23 Teachers are in the process of getting ready to do MOY MClass testing. Teachers will use the data obtained to make updates to PEPs and plans. Teachers will then meet with the parents for a conference on updates based off the data.

KEY	A4.06	ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary.(5124)	Implementation Status	Assigned To	Target Date
<b>Initial Assessment:</b>		Brentwood Elementary is a PBIS school and each classroom has a calm-down corner for students to use as needed; counselors provide SEL lessons to all classrooms. Teachers discuss and develop interventions for students through MTSS that are struggling with Tier I SEL supports. Teachers utilize student services staff for additional support as needed.	Limited Development 10/10/2022		
<b>How it will look when fully met:</b>		Brentwood will be an Exemplar PBIS school (through consistency with teaching, modeling and reinforcing school-wide expectations and implementing the PBIS practices as determined by the PBIS team). Office Discipline Referrals (ODRs) will be reduced by 25%. Each teacher will not only have a calm-down corner for students to use as needed, but they will understand how to implement these consistently in the classroom to support students' emotional needs. Counselors will provide at least monthly SEL lessons to all classrooms; these lessons will be based on feedback from teachers on what areas students need support. Teachers will know how to identify a student in distress and de-escalate a situation; teachers will consistently discuss, develop and effectively implement targeted interventions for students that are struggling despite school-wide systems. Student services staff will support students and staff as needed and will implement Tier 2 programming such as mentoring.		Danielle Bell	06/30/2024

Core Function:		Dimension E - Families and Community			
Effective Practice:		Family Engagement			
KEY	E1.06	The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning).(5182)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		Our school currently hosts monthly family engagement nights, family reading nights, and school spirit activities throughout the year. While these nights have been very successful for many of our families and appreciated by the parents/guardians who attend; only about 15% to 20% of our families come out for these events. The school communicates regularly with families via parentlink and ClassDoJo.	Limited Development 10/10/2022		
<i>How it will look when fully met:</i>		We have set a goal for increasing our parent/guardian engagement to at least a 30% participation rate based on sign in sheets from previous years during family engagement activities such as Family Reading Nights, Math Night, Science Night, and Multi-Cultural Night. We will also host during-school events for parents who are able to participate during the school day. Parents will also have the opportunity to leave events or to receive information/resources from the school to support learning at home.		<b>Danielle Bell</b>	<b>06/30/2025</b>

	10/10/22	School-wide and teacher/parent communication will be through the Class DoJo App; the school will also frequently post to the school webpage and social media accounts about events, activities and happenings here at the school.		Leadership Team	06/30/2025

Notes: 9/11/23 - Communication is going well. Getting great feedback from parents on clear communication. Will continue to ensure feedback is being sent out clearly and timely.

2/13/23 - Teachers and staff are posting information on Clasdojo on a consistent basis. Webpage needs to be updated more consistently and admin will address this concern.

1/9/2023 - Classroom Dojo posts are completed frequently and the school ensures they complete connect ed calls and texts.

12/12/22 - all teachers are sending information daily in class dojo, admin, counseling, and social work departments are sending information out weekly to parents.

9/9/22--All HR teachers were asked to share their classes with key staff in the building including but not limited to admin, instructional coaches, teacher assistants, resource teachers, counselors, social workers, etc. so that these staff can communicate with families as needed.

8/25/2022--All families were provided a postcard that would allow them to connect directly with their teacher

8/23/2022--Staff were trained on how to access Class DoJo and how to utilize its communication tools to work with parents

10/24/23 The school will host a variety of parent engagement activities at Brentwood Elementary to increase parent participation. We will survey parents on ways to improve with parent engagement activities.
