Duty Free Lunch	Please indicate if your School Improvement Team vote for your teachers to have duty free lunch by indicating yes (Y) or no (N) in the box to the right.	N
Duty Free Planning Time	Please describe approximately how much planning time your teachers have during a week: Our teachers receive 90 minutes of planning time each day, totaling 450 minutes per week.

Parental/Family Engagement	Please describe your parent/family engagement plan briefly (i.e. dates or frequency of parent events, P/T conferences, PTA meetings, etc.): Our school has parent teacher conferences at least once per semester. We host an Open House night at the beginning of the year, where parents meet and greet with staff and gain knowledge of expectations and school goals. We also host curriculum and technology night for parents to keep parents informed and engaged in curriculum practices, learning processes and digital literacy.	
Safe and Orderly Schools	The Cumberland County School System (CCS) has a commitment to excellence in providing a safe and healthy workplace. Safety of employees and students must be given first priority in every activity. To that end, all our employees have access to our district Safety Manual and Crisis Management Handbook on the CCS intranet. The Safety Manual is provided to help schools insure their day to day practices are in line with best safety practices, prepare for events that can be better managed with a safety plan, and outline protocols for handling potentially hazardous materials in our schools. Although a crisis is an event that is extraordinary and cannot be predicted, the Crisis Management Handbook was prepared to provide the principal and the local crisis team a quick reference guide of procedures to follow when a crisis occurs that affects the school.	
Review of the SIP plan and notification of changes	As part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goals and make changes as needed. The superintendent's designee will be informed when the plan has changed.
