

Comprehensive Progress Report

Mission: Fayetteville Terry Sanford encourages success in the 21st century and is committed to providing learning opportunities that enable ALL students to collaborate, compete, and succeed globally.

Vision: Fayetteville Terry Sanford High School is committed to inspire, innovate, and achieve excellence.

Goals:

Terry Sanford High School will decrease the number of truancy violations by at least 10% to protect the amount of instructional time lost.

Terry Sanford High School will increase the proficiency level on EOC's for students with disabilities by 3%.

Terry Sanford High School will increase the overall growth on EOC's for economically disadvantaged students from -1.14 to at least +1.0.

! = Past Due Objectives KEY = Key Indicator

Core Function:		Dimension A - Instructional Excellence and Alignment			
Effective Practice:		High expectations for all staff and students			
KEY	A1.07	ALL teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them.(5088)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		We currently go over school procedures and policy in our homerooms during the first 10 days of school. Teachers introduce and reinforce classroom rules and protocols as needed. Our teachers are offered support by administration when they have classroom management issues. If needed, teachers can be signed up for classroom management professional development. This is not enough. We need to be more strategic about the proactive support for teachers. Getting our school on the same page with consistent, effective procedures for our classrooms is paramount.	Limited Development 09/27/2022		
<i>How it will look when fully met:</i>		We will see an overall decline in discipline referrals in ABE. Teachers will implement Terry Sanford High School best practiced for behavior and PBIS will be implemented with fidelity. Student discipline office referrals will be at a minimum. Quantitatively, we will see fewer students in the hallway during class and more engagement in class.		Ryan Mitchell	05/24/2024
Actions			1 of 3 (33%)		
	6/27/23	The school leadership team will establish school-wide expectations for all classrooms by reinforcing classroom rules and procedures for all students by utilizing a 10-day lesson plan at the start of the school year to explicitly explain behavior expectations in the school.	Complete 09/27/2023	Ryan Mitchell	10/18/2023
		<p><i>Notes:</i> 8/28/23 - All classrooms were provided with lesson plans for teachers to go over during homeroom. Students will report to homeroom everyday for 10 days to go over dress code, school rules and expectations, Student Code of Conduct, Major Clarity, and attendance.</p> <p>9/11/23 - Teachers completed the lesson plans that discussed school-wide norms, expectations, dress code, and attendance expectations.</p>			

6/27/23	<p>The school leadership team will reinforce the consistent implementation and communication of school-wide routines, expectations, and classroom management by conducting weekly learning walks, PLC discussions, PBIS teacher points, iRounds, and provide administrative feedback measured by increased number of iRounds conducted throughout the week/month over a period of time.</p>		Rangel McLaurin	05/24/2024
<p><i>Notes:</i> 8/28/23 - Expectations have been communicated to all staff members and students and a new PBIS lead has been appointed. A meeting with each grade level has been scheduled in the auditorium to explicitly discuss rules, expectations, the different staff members and roles on campus, attendance expectations, and the consequences of violations of rules using the Student Code of Conduct.</p> <p>9/11/23 - During SIT, it was discussed that the PBIS app will be purchased utilizing Instructional Funds. Weekly PLC has also been established and scheduled by each department; PBIS/School Climate Correlate has been established.</p>				
9/30/22	<p>The school leadership team will provide a monthly FTS classroom management tip/technique along with updates and reinforcements of schoolwide procedures and routines for all students in the classroom to increase student engagement and decrease attendance violations which will be measured by tracking daily attendance over a period of time.</p> <p>This will come in the form of a newsletter emailed to staff.</p>		Rangel McLaurin	05/24/2024
<p><i>Notes:</i> 8/28/23 - During Staff Meeting, school counselors, social workers, and EC teachers discussed their roles in the school and ways they support students, teachers, and families. Resources were shared regarding how to establish routines, student engagement, and notification of truancy/absences to social workers.</p> <p>9/11/23 - The Bulldog Way, a digital guide, was developed for quick access to school-wide norms policies, expectations, and procedures. The Bulldog Way contains quick links to forms used throughout the building. It contains pictures of staff members for new staff members to easily identify their colleagues.</p>				

Core Function:		Dimension A - Instructional Excellence and Alignment			
Effective Practice:		Curriculum and instructional alignment			
KEY	A2.04	Instructional Teams develop standards-aligned units of instruction for each subject and grade level.(5094)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		<p>In the past year, SMART Lunch focused on providing remediation and enrichment to all students. For the 2023-2024, it was decided that SMART Lunch will not be utilized due to the program not synching with PowerSchool, which affected the daily attendance of the program and resulted in increased truancies and student behavior.</p> <p>Currently, teachers meet weekly for PLC meetings and work with District Instructional Coaches. Classroom observations indicate inconsistencies with standard-aligned units of instruction.</p>	Limited Development 09/08/2022		
<i>How it will look when fully met:</i>		When this indicator has been fully met FTS will have data-driven PLCs with measurable outcomes as evidenced by the PLC meeting agenda and minutes. We will also have increased student proficiency and growth as evidenced by pre, benchmark, and post-assessment data. FTS Teachers will provide effective instruction through high-yield strategies to include, differentiation, re-teaching, and intervention, observed through learning walks, lesson plans, and teacher observations. 	9/8/22	In conjunction with the CCS curriculum support team, administrators and the school leadership team will meet weekly in PLCs and Students Services Team Meetings to discuss and disaggregate data. Focused, targeted, professional development will be provided in the following areas: high-yield instructional strategies, rigor, standard alignment, and student engagement. This will be measured by an increase in EOC for all subgroups.		Taylor Price	05/24/2024

Notes: 8/28/23 - All teachers have attended the required System-Wide Professional Development prior to the start of the school year for each department/subject area.

9/11/23 - Teams have begun to meet weekly in PLCs. The District Instructional Coaches and NTN Coach has been in attendance at TSHS to work with individual teachers in the classroom. Meeting with the District Coaches have been scheduled to discuss differentiation of the levels of support provided to teachers to increase student achievement. Nearpod Learning Program will be purchased for teachers to aid in instruction by utilizing Instructional Funding for the renewal of the program.

9/8/22 In PLCs, teams will gain a working knowledge of the functions of effective PLCs (set clear objectives, student-centered, focus on data/results) by working collaboratively to unpack standards, identify learning targets and create standards-aligned assessments using Mastery Connect to measure achievement.

Taylor Price

05/24/2024

Notes: 9/11/23 - Departments have established a weekly with an agenda which will focus on standards alignment and student engagement. Data obtained from Mastery Connect pre/post and interim will be disaggregated and remediation plans will be made. Remediation will take place in the classroom during the 90-minute block.

9/25/23 - EOC EVAAS Projection Meeting has been scheduled with EOC teachers and Data Analyst to discuss EVAAS projection and bubble students.

9/8/22 The school leadership team will conduct data dives for the EOC course teachers by establishing a protected time once a month to discuss data and standards alignment with EC, ELL, and AIG teachers to ensure instructions are individualized using data tracker contains student progress and data.

KEY	A4.01	The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.(5117)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		<p>In the past year, SMART Lunch focused on providing remediation and enrichment to all students. For the 2023-2024, it was decided that SMART Lunch will not be utilized due to the program not synching with PowerSchool, which affected the daily attendance of the program and resulted in increased truanancies and student behavior.</p> <p>Currently, EOC teachers meet weekly after school to collaborate. The administrative team, NTN Coach, and CCS Instructional coaches will monitor PLCs and will be working with teachers on how to differentiate classroom instruction.</p>	Limited Development 09/08/2022		
<i>How it will look when fully met:</i>		We will see an increase in student engagement and the level of responsiveness to instruction. Teachers will have a fully comprehensive understanding of interventions that are evidence-based and will yield increased student achievement. We will utilize benchmarks, Mastery Connect, and formative assessments to monitor student progress. The overall goal is to increase student achievement on EOC's and other school-wide performance measures.		Jennifer Walker	05/24/2024

	9/8/22	The school leadership team will collaborate with teachers/staff during PLCs by utilizing data received from EOC and/or Mastery Connect assessments to discuss remediation plans and differentiated instructional practices to meet the learning needs of students by using IEPs/504 and/or data results assessments to guide instruction.		Jennifer Walker	05/24/2024

Notes: Oct 2, 2023 - EOC EVAAS Student Projection Meeting with CCS Data Analysts - Amanda Velazquez and Ginger Hyde. Teachers input data in Data Tracker.

Nov. 9, 2023 - EOC teachers met with the Curriculum Specialist with new EVAAS Projections and changed "bubble kids" to sliders. Teachers updated data in Data Tracker.

9/8/22 The administrative team will implement Data Dives for our EOC teachers frequently throughout the year and after each benchmark. Teachers will tier/group students and create remediation/intervention plans to provide individualized support. This will be measured by increased in EOC scores.

Jennifer Walker

05/24/2024

Notes: Oct. 5, 2023 - Started planning for Data Days for EOC teachers.

Nov. 3, 2023 - Data day was planned for Nov. 27th. Title II money was allocated for Data.

9/8/22 The administrative team will assist in providing professional development on high-yield instructional strategies. In addition, each administrator will focus on the implementation of these strategies during the weekly walk-through visits.

	KEY	A4.06	ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary.(5124)	Implementation Status	Assigned To	Target Date					
<i>Initial Assessment:</i>	ABE is currently used as a form of communication for student referrals. Those in the Restorative Justice Center complete related modules. There are no positive behavior interventions.	Limited Development 09/12/2022			<i>How it will look when fully met:</i>	The vast majority of students will display respect for themselves, others, and school personnel. There will be a 10% decrease in short-term suspension incidents as evidenced by ABE data, PowerSchool, and county reports. We will observe an increase in positive behavior from the beginning of PBIS implementation to the end of the school year as evidenced by PBIS data and perceptual data from staff and students. <i>Initial Assessment:</i>			<p>Currently, Terry Sanford High School hosts a Freshman Orientation event prior to the beginning of the school year. The purpose of the event is to acclimate incoming freshmen to the history, culture, and opportunities available at the school. Students meet teachers and student leaders who assist in facilitating the event. Additionally, the school administration and Student Services Department invite current 8th graders from our feeder schools to a High School Orientation and Registration Day in the spring. School Counselors conduct registration sessions with the students using MajorClarity and cadets from our AFJROTC program conduct small group tours afterward.</p>	Limited Development 09/30/2022		
<i>How it will look when fully met:</i>			<p>When fully implemented, we will offer the following opportunities and experiences, in addition to our existing activities for incoming freshmen:</p> <p>Our data capture will target 10th-grade students. Postsecondary Readiness surveys will go out to students in Grade 10 in September as a baseline for gauging postsecondary readiness skills and behaviors. The data gathered from these surveys will also serve as needs assessment data to determine the scope of our interventions. Activities will be planned to support student readiness including career fairs (grades 9-12), campus tours (grades 10-11), mock interview days (grades 11-12), and senior exit interviews conducted by our School Counselors. Sophomores will re-take the survey in May. Our goal will be to increase the percentage of reported readiness behaviors by 25% above the baseline percentage.</p>		Rangel McLaurin	05/23/2025

<i>How it will look when fully met:</i>		In a collaborative culture, members of the Terry Sanford school community work together effectively and are guided by a common purpose. That purpose is to make sure our students have the best learning environment possible. All members of the Terry Sanford community, teachers, administrators, students and their families will share a common vision of what the school should be like. Together, we set goals that lead us toward this vision. In doing so, we will create a culture of discourse in which the most important educational matters facing the school are openly and honestly discussed.		Rangel McLaurin	05/24/2024

Core Function:		Dimension B - Leadership Capacity			
Effective Practice:		Distributed leadership and collaboration			
KEY	B2.03	The school has established a team structure among teachers with specific duties and time for instructional planning.(5143)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		We have departmental PLCs with specific duties divvied up amongst members such as: PLC lead, recorder, and time keeper. Before school, afterschool, and lunch duties are assigned based on planning time and PLC time during our Smart Lunch. We have common time carved out for a weekly PLC for all departments during Smart Lunch. We are in limbo with our Smart Lunch schedule due to technical issues with the schedule monitoring program we use. At this time, we are meeting with PLCs after school.	Limited Development 09/30/2022		
<i>How it will look when fully met:</i>		PLC agendas and minutes will be turned in weekly by all departments. Evidence of disaggregation of student data is included within these documents. Duty stations are covered and someone is present during lunch, before, and after school. Coverage needs during absences are communicated to admin and departmental/hallway teams prior to the absence. Effective Practice:		Monitoring instruction in school			
KEY	B3.03	The principal monitors curriculum and classroom instruction regularly and provides timely, clear, constructive feedback to teachers.(5149)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		Weekly walkthroughs are completed by administration. Feedback is left for teachers via email. During PLC strengths and weaknesses are addressed. Best practices are shared.	Limited Development 10/04/2022		
<i>How it will look when fully met:</i>		Teachers will turn in lesson plans to administrators. Within these lesson plans teachers will identify the high yield strategies they plan to use with students. They will also analyze data from Mastery Connect assessments and reflect in their lesson plans ways in which they plan to remediate/enrich students' learning. Administration team along with the Curriculum Support team will conduct focused walkthroughs. The feedback left for teachers will address pacing, formative assessments, alignment of goals, and results of Mastery Connect assessments. During PLCs teachers will work together to disaggregate data and plan for remediation and enrichment activities to include small group instruction and tutoring during Smart Lunch. EVAAS data will be utilized for students to be aware of their predicted scores. Students will be privy to this information and will frequently use it to reflect on where they are to meet their growth goal.		Jennifer Walker	05/26/2025

Core Function:		Dimension C - Professional Capacity			
Effective Practice:		Quality of professional development			
KEY	C2.01	The LEA/School regularly looks at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and professional development needs.(5159)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		Mastery Connect has been used but not with fidelity. Results from TWCS have been shared with staff and SIT has addressed areas of weakness. High yield strategies have been introduced to staff and a plan to revisit the strategies throughout the year.	No Development 10/04/2022		
<i>How it will look when fully met:</i>		Teachers will use the pre, interim and post assessments in Mastery Connect regularly. During PLCs teachers will analyze this data. They will make plans during PLCs to remediate groups of students that are lacking mastery of the standard. Teachers have been introduced to high yield strategies and have begun implementing them in their lessons. During PLCs and staff meetings teachers will share best practices in implementing these strategies.		Jennifer Walker	05/24/2024

Effective Practice:		Talent recruitment and retention			
KEY	C3.04	The LEA/School has established a system of procedures and protocols for recruiting, evaluating, rewarding, and replacing staff.(5168)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		Previously, FTS had a program designed to acclimate beginning teachers. The purpose of the program was intended to support teachers that were new to Terry Sanford, but it did not have a preference to years of service. The administrative team evaluated teachers using the NCEES observation tool while providing targeted feedback and support. We currently recognize one certified and one classified staff member per month.	Limited Development 06/22/2022		
<i>How it will look when fully met:</i>		<p>We will increase teacher retention as evidenced by reduction of teacher transfers and letters of intent.</p> <p>Each new teacher will have experienced a school year with a teacher ambassador to learn the processes, procedures, and culture of Terry Sanford High School.</p> <p>Teachers will be rewarded and acknowledged through PBIS rewards and recognition by administration.</p>		Nekia Cromity	05/24/2024
