

Quick Guide to Accessing and Completing the Digital Device Survey

1. Go to HomeBase and log into the PowerSchool Parent Portal.
<https://cumberland.powerschool.com/public/home.html>
2. On the left side Navigation menu, scroll down to the bottom and click on “Digital Device Survey.”

3. This part of the survey is 7 questions about internet access and devices in the home.
4. The second part of the survey is a Home Internet Speed Test. You **must use your home internet connection and the device that your student uses to do their schoolwork (CCS Chromebook)**. If using a device that is connected through a cellular service or a device that is not in your home, please select NA.

5. Click start. Record the download and upload speeds, then click “submit.”
