

Quick Guide to Accessing and Completing the Digital Device Survey

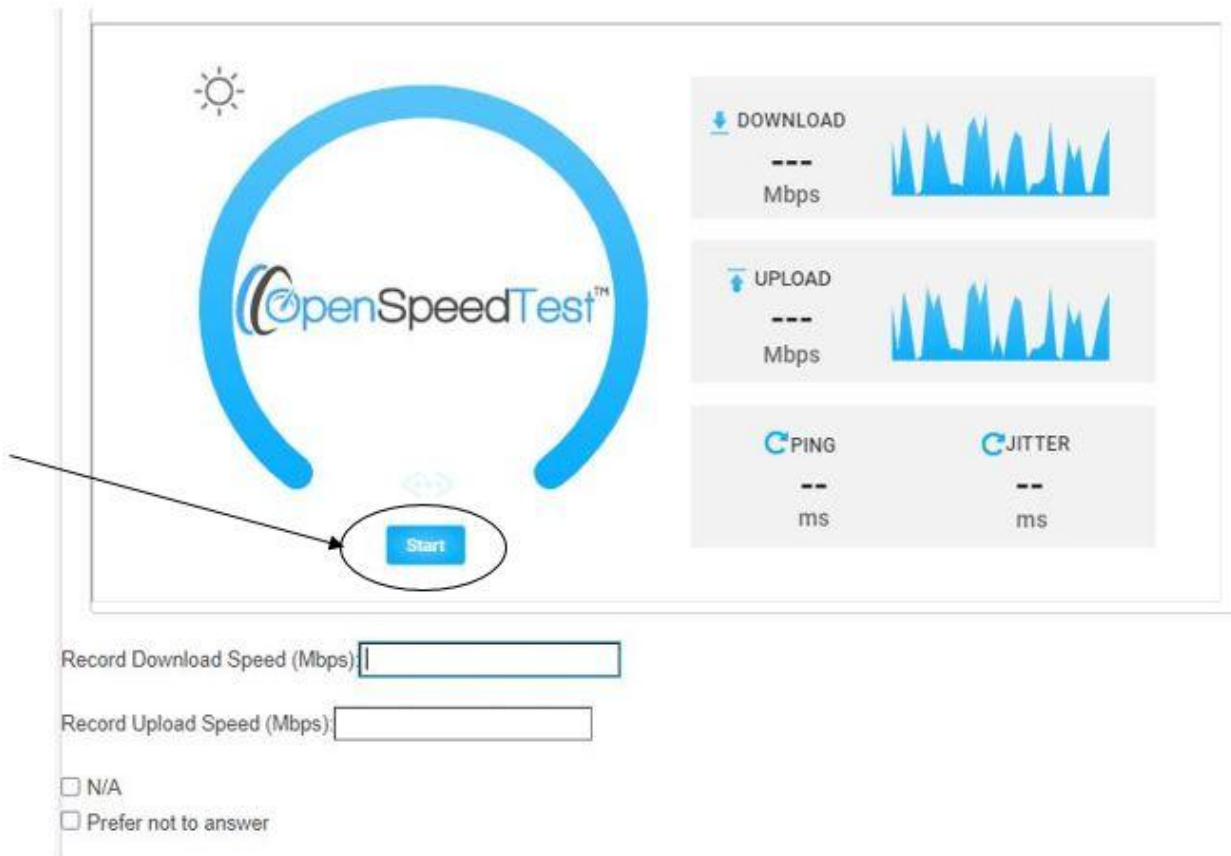

1. Go to HomeBase and log into the PowerSchool Parent Portal.
<https://cumberland.powerschool.com/public/home.html>
2. On the left side Navigation menu, scroll down to the bottom and click on “Digital Device Survey.”

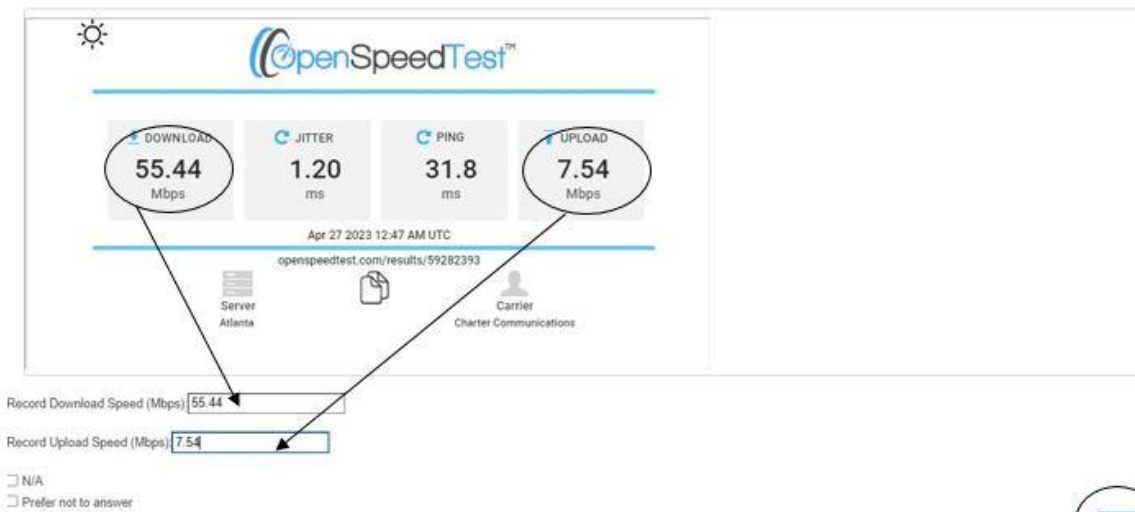

3. This part of the survey is 7 questions about internet access and devices in the home.
4. The second part of the survey is a Home Internet Speed Test. You **must use your home internet connection and the device that your student uses to do their schoolwork (CCS Chromebook)**. If using a device that is connected through a cellular service or a device that is not in your home, please select NA.

5. Click start. Record the download and upload speeds, then click “submit.”

The screenshot shows the OpenSpeedTest interface. At the top center is the OpenSpeedTest logo, a blue circle with a white 'O' and the text 'OpenSpeedTest™'. To the right are three performance metrics: DOWNLOAD (--- Mbps), UPLOAD (--- Mbps), PING (--- ms), and JITTER (--- ms). Each metric has a corresponding graph showing a fluctuating blue line. Below the logo is a blue 'Start' button, which is circled in blue and has a black arrow pointing to it from the left. Below the interface are two input fields: 'Record Download Speed (Mbps):' and 'Record Upload Speed (Mbps):'. Below these are two checkboxes: 'N/A' and 'Prefer not to answer'.

The screenshot shows the OpenSpeedTest results page. At the top center is the OpenSpeedTest logo. Below it are four performance metrics: DOWNLOAD (55.44 Mbps), JITTER (1.20 ms), PING (31.8 ms), and UPLOAD (7.54 Mbps). Each metric is in a grey box with a blue icon. Below the metrics is the date and time: 'Apr 27 2023 12:47 AM UTC' and the URL: 'openspeedtest.com/results/59282393'. Below the URL are two server icons: 'Server Atlanta' and 'Carrier Charter Communications'. Below the interface are two input fields: 'Record Download Speed (Mbps):' with '55.44' entered and 'Record Upload Speed (Mbps):' with '7.54' entered. Below these are two checkboxes: 'N/A' and 'Prefer not to answer'.
