

CUMBERLAND
COUNTY SCHOOLS

Peer 2 Peer (P2P) Tutoring (6-12 Grade)

Are you facing challenges with core subjects? Then P2P is where you want to be!

Join us every Tuesday and Thursday!

5:00 PM-6:00 PM (Session 1) & 6:00 PM-7:00 PM (Session 2)

- This is a **free** program with highly experienced **student tutors**.
- We will be offering **two sessions** of peer-tutoring per week in **Math, Science, and English**.
- Each session will be hosted by a supervising staff member and tutors utilizing **Webex breakout rooms**.
- Please keep in mind that this is a strictly voluntary program where students choose to get academic assistance from their peers.
- No private tutors or one-on-one arrangements are available through this program.

Here is how P2P works:

1. Register in advance for each meeting by filling out this [form](#).
2. Choose your session(s).
3. A facilitator will contact you to allow you into the tutoring session at your selected time.
4. After your meeting with your tutor, you can reschedule another session with them if needed with them or again through the sign-up form above.
5. Click [here](#) for a step-by-step process.
