7403 Rockfish Road, Fayetteville, North Carolina 28306-7270
Phone: (910) 429-2800 Fax: (910) 429-2810

Attention Students and Parents/Guardians,

During the week of March 8-12, 2021, students will be on campus in order to complete their End-of-Course (EOC) testing and Career and Technical Education (CTE) Post-Assessments. Buses will be available to transport students to and from school. In the near future, additional information will be sent out regarding their bus transportation information if the student will be returning to school this spring in the face-to-face Plan B re-entry. If you selected to be remote/virtual for the remainder of the year and you need bus transportation for the week of testing, you will need to contact the school as soon as possible. Our buses will not begin to return the students home until after all testing is done for that day. Some of our CTE tests are two hours long and some of our EOC tests are three to four hours long. Students will be permitted to be picked up from the school once their room's testing session has been completed. Parents/Guardians will NOT be permitted to enter the building to check out their students. If you would like to check your student out once testing has completed, please fill out the information below, scan a picture of the form and email it to Michelle Mckoy at (michellemckoy@ccs.k12.nc.us) or fax it to the school (910) 429-2813 NO LATER than Friday, March 5, 2021, at 4:00 PM. If you are unable to scan or fax there will be a place for students to drop off these forms in the front lobby as they enter the building on the day that they test however, we will not be able to verify an electronic version. Please list the adult that has permission to pick up your child on the day of testing. Your student WILL NOT be released to anyone NOT listed below. You must have a parent or guardian signature on this page, or your request will not be honored. Your Signature on this form releases Jack Britt High School and Cumberland County Schools from any liability once released to the individual listed below.

Testing Schedule: (EOC classes are Math 1, Math 3, English 2, and Biology)
