AOEMS Application

## Are you interested in a future career in medicine or health care?

At Pine Forest High School, you can earn your certification as a Certified Nursing Assistant or Pharmacy Technician before graduation.

The **Academy of Emergency Medical Science (AOEMS)** at Pine Forest High School is a small learning community within the school for students interested in pursuing careers in medicine and health care. The course of study for Academy students integrates a variety of courses such as science, technology, and math curriculums.

AOEMS is designed to integrate the learning of communication, technical and academic skills through real-world applications in pre-hospital, emergency settings or long-term care patient settings. The curriculum focuses on developing the knowledge and skills necessary for success in post-secondary schools and in the workforce. Students receive instruction from registered nurses with teaching credentials.
