COURSE DESCRIPTION: AFJROTC, Aerospace Science, is the course for all cadets. Designated as Aerospace Science 1 (AS1), AS2, AS3, and AS4. The course consists of three components:

Aerospace Science (40%), Leadership Education (40%), and Wellness/Physical Fitness (20%).

Leadership Education 100 introduces the student to the Air Force Junior Reserve Officer Training Corps (AFJROTC) program, while instilling elements of good citizenship, develops informed citizens; strengthens and develops character; develops study habits and time management; wear of the Air Force uniform; and Air Force customs, courtesies and drill skills are introduced.

Additionally, cadets will be taught the fundamentals of Drill and Ceremonies. This portion of the course concentrates on the elements of military drill, and describes individual and group precision movements, procedures for saluting, drill, ceremonies, reviews, parades, and development of the command voice. Students are provided detailed instruction on ceremonial performances and protocol for civilian and military events and have the opportunity to personally learn drill. Most of the work is to be hands-on. This is new for AS1s and refresher for AS2-AS4. AS2-4 will assist and participate in instruction to the AS1s. Aerospace Science 220 introduces students to the world's cultures through the study of world affairs, regional studies, and cultural awareness. The Wellness/Physical Fitness portion will incorporate the Cadet Health and Wellness Program (CHWP). The CHWP is an exercise program focused upon individual base line improvements with the goal of achieving a Presidential Physical Fitness standard calculated with age and gender. The goal of the CHWP is to motivate JROTC cadets to lead active, healthy lifestyles beyond program requirements and into their adult lives. The Leadership Education portion of the grade counts 40% of the final grade and will be graded by the ASI. The wellness portion of the program counts for the remaining 20% of the final grade and will be graded by the SASI and/or ASI. Drill will be evaluated by the ASI and the SASI. **HABITUAL NON-WEAR OF THE UNIFORM AND FAILURE TO MAINTAIN STANDARDS WILL RESULT IN A FAILING GRADE AND DISMISSAL FROM THE PROGRAM.** Grades will be computed in accordance with standard district grading policy.

MAJOR GRADES	DAILY GRADES
Uniform Wear	Class Attendance, Preparation & Participation
Exams (Midterm & Final); Attitude, Discipline, and Respect (ADR) evaluated weekly. PT participation.	Quizzes
Parades, Special Events (Pass & Review, Retreat, etc.)	Class work/Homework

UNIFORM WEAR (Major Grade): Uniform wear is a large part of the Air Force JROTC program. ALL cadets are required to wear the appropriate uniform each **Tuesday, from the start of the school day until released.** Make-up day for excused absences on uniform day is the following day. There will be **no uniform make-up for unexcused absences.** Failing to wear the uniform all day will result in a “0” (zero) grade for that uniform day. Multiple failures to wear your uniform can lead to disenrollment from the course. Cadets are required to wear their issued **Physical Fitness** uniforms on **Fridays,** unless otherwise directed. Failure to turn in uniforms by the end of the course/year will result in an overall “I” incomplete grade for the course and the vice principal notified. Additionally, the student will be placed on the “Fines/Holds” list until the uniforms are paid for/returned.

EXAMS (Major Grade): Two types of major exams will be administered during the course: midterms and finals. Tests will be a comprehensive assessment of all material taught since the last test. These tests will cover the concepts taught in all portions (AS, LE, Wellness) of the AFJROTC curriculum.

CLASS ATTENDANCE, PREPARATION AND PARTICIPATION (Daily Grade): Today’s workforce does not earn a paycheck unless they show up ready for work. Cadets earn grades commensurate with their class participation and effort. Cadets who are not present or prepared cannot participate fully in class. This is especially key to drill and physical fitness. Class preparation includes cadet adherence to proper grooming standards daily as outlined in Air Force Instruction and school dress code.

QUIZZES (Daily Grade): Daily quizzes will be administered throughout the course. Quizzes will cover all material taught since the last quiz or test.

HOMEWORK/CLASSWORK: Assignments are due at the beginning of the class period, unless otherwise directed or the cadet has an excused absence that day. For excused absences, the assignment will be due on the next class day that the cadet is present. Assignments not turned in on the due date because of an unexcused absence will receive a “0” (zero) grade for that assignment.

COMMUNITY SERVICE: Cadets will have multiple opportunities to perform Air Force JROTC sponsored community service during each semester.

CURRICULUM IN ACTION TRIPS (CIA)/FIELD TRIPS: Throughout the semester, the cadets will have opportunities to participate in school-sponsored activities that serve as an extension of the AFJROTC curriculum. These trips may include Airborne Museum, Pope or Ft. Bragg, etc. Cadets must be in good academic and disciplinary standing to participate.

CLASS BEHAVIOR: The nature of the AFJROTC mission, as well as its high visibility within the school and community, requires its members to adhere to higher standards than might be found among the student population. **Inappropriate behavior,** in or out of uniform, is prohibited while in participating in AFJROTC. This behavior includes, but is not limited to, consuming alcohol, drug abuse, tobacco use, horseplay, public displays of affection, fighting, disparaging remarks, insubordination, disrespect, verbal threats and physical attacks. In addition to negatively affecting your grade, it is also grounds for dismissal from the program.

CELL PHONES: Cell phone policy is in accordance with Cumberland County district instructions. Cell phones must remain turned off and out of sight during the instructional day. Students who use the telecommunications device during the school day, will have the device confiscated. Parents

may pick up the confiscated device from the assistant principal's office. Any student who refuses to turn over their cell phone will be considered insubordinate and will receive additional disciplinary consequences. This may also be grounds for dismissal from the program.
