**ACCIDENTS**

All accidents must be reported and documented by a school official. Anyone injured while on school property must immediately report it to a teacher/coach or any other school personnel. An Accident Report must be completed and submitted to the main office. These reports are forwarded to the Risk Management Office.

**ATTENDANCE POLICY**

North Carolina Statute 115C-378 requires that students attend school 180 days; however, since we are on a 4 x 4 block schedule, students are required to attend school for 90 days each semester. Compulsory Attendance Laws for the State of North Carolina apply. In order to be considered in attendance, a student must be present in the school for the school day or at a place other than the school with the approval of the appropriate school official for the purpose of attendance or a school activity that has been officially authorized under the policies of the Board of Education. Such activities may include field trips, athletic contests, student conventions, musical festivals, or any similar approved activity. A student shall be present at least one-half of the school instructional day in order to be recorded present for the day. Students must be in attendance 90% of the instructional year in order to receive credit

for a course, which is equivalent to 164 school days. (90% is not more than 9 absences in a 90-minute class in a block schedule). Students who have between 10-13 absences may be required to complete an attendance portfolio and/or attend Saturday School to obtain credit for the course. Students with 14 and above absences will fail the course due to attendance unless they are medically approved or have administrative approval. The responsibility for school attendance will be that of the home. Parents and students are expected to cooperate with teachers and administrators to insure regular attendance. To achieve an efficient and workable program regarding student attendance, the following procedures will be implemented:

1. Once a student arrives on the school campus, the student becomes the responsibility of the school.
  2. The classroom teacher and the office will keep daily records of attendance, check-ins and check-outs. Classroom attendance will be recorded each quarter on the report card.
  3. Students who are absent ten consecutive days without notifying the school will be dropped from the roll. Students under 16 will be considered truant and turned over to the District Attorney's Office.
- The parent(s)/guardian(s) of any student who has been absent 3, 6 and 9 days in a class (lawful or unlawful) will be notified by mail of the absences and to be aware of the attendance policy.

### LAWFUL ABSENCES

- 1) **Illness or Injury:** An absence is lawful when the absence results from illness or injury that prevents the student from being physically able to attend school.
- 2) **Quarantine:** An absence is lawful when isolation of the student is ordered by the local health officer or by the State Board of Health.
- 3) **Death in the Immediate Family:** An absence is lawful when it results from the death of a member of the immediate family of the student. For the purpose of this regulation, the immediate family of a student includes, but is not necessarily limited to, grandparents, parents, brothers and sisters.
- 4) **Medical or Dental Appointments:** An absence is lawful when it results from a medical or dental appointment/procedure. Students should submit medical or dental paperwork for the excuse.
- 5) **Court of Administrative Proceedings:** An absence is lawful when it results from the attendance of a student at the proceedings of a court or an administrative tribunal if the student is a party to the action or under subpoena as a witness.
- 6) **Religious Observation:** An absence may be considered lawful if the tenets of a religion to which a student or his/her parent adhere require or suggest observance of a religious event. The approval of such absences is within the discretion of the local board of education, but approval should be granted unless the religious observance or the cumulative effect of the religious observances is such duration as to interfere with the education of the student.
- 7) **Educational Opportunity:** An absence may be lawful when it is demonstrated that the purpose of the absence is to take advantage of a valid educational opportunity
  - a) **For college visits: Students must submit written proof from the college visited within two (2) days of their return to school. Seniors receive 2 days and juniors receive 1.**
  - b) **For extended travel:** Students must submit an “**ABSENCE REQUEST FORM**” to the principal ten (10) days prior to the absence, along with proper documentation (*example: medical paperwork, obituary notice, travel agenda, etc.*)

***“REQUEST FOR ABSENCE FORMS” are available online on the Cape Fear home page or may be picked up in the main office.***

### UNLAWFUL ABSENCES

Unlawful absence is defined as:

1. A student's willful absence from school with or without the knowledge of the parent.
2. A student's absence from school for any reason other than those listed under “Lawful Absences.”

Parents who refuse to comply with the health regulations of a community, such as compulsory vaccination, thereby causing a student to be excluded from school, or parents who permit a student to stay home or to be employed in any way contrary to the Child Welfare Law, shall be responsible for the nonattendance of the student.

The board policy for student attendance further incorporates by reference any additional rules and regulations of the State Board of Education governing compulsory school attendance and student accounting.

1. All students are required to furnish the attendance clerk with a parent's note giving the reason for each absence from school. The note should include:
  - a. Students Full Name and Homeroom Teacher
  - b. Student ID Number
  - c. Parent Name and phone number to contact parent for verification of note
  - d. Reason
2. Students have **two (2) days** to submit a written excuse once they return to school; after which the absence is considered unexcused. If all the above information is also not provided or the contact number is incorrect then the absence will be unexcused.
3. It is the student's responsibility to make up work and tests within the **three (3) school days allowed for such make-up**. If the absence is unlawful, the student may not receive credit for work missed.

### **EXCUSED ABSENCES**

Students with excused absences shall be given the opportunity to make up work missed in accordance with the following guidelines:

1. It is the responsibility of the student to coordinate arrangements with the teacher(s) to complete make-up work within three (3) school days upon the student's return to school.
2. Exams or test missed shall be taken at a time and place mutually agreed upon by the teacher and student.
3. Make-up tests will be of equal value and/or on the same material as the missed test. However, the make-up test may not necessarily be the same test.
4. Exams and assignments, announced prior to the student's absences, may be required to be made up immediately upon the student's return.
5. Students may be required to do alternative assignments in place of missed classroom activities.

### **CHECK-IN POLICY**

1. Students checking in after 8:40 am will be coded as unexcused unless documentation of a lawful excuse is submitted.
2. A student may present valid documentation of a professional appointment (*example: Doctor, dentist, lawyer, or court note*).
3. Disciplinary action will result after three (3) unexcused absences/check-ins.

### **UNLAWFUL CHECK-INS/CHECK-OUTS**

#### **BOOK BAGS and PURSES**

In an effort to do all that we can to assure the safety of students, we restrict the use of book bags, large purses or other similar items used for transporting books, gym clothes, athletic equipment, etc.

Book bags, athletic bags, large purses or similar items may be used only for the purpose of transporting books, other school related materials, and personal effects to and from school, but they may not be carried to class, between classes, or to lunch.

Mesh drawstring bags will be allowed if no larger than 8.5" x 11" sheet of notebook paper. Oversize bags are subject to search.

Immediately upon the student's arrival at school, any book bag, athletic bag, or similar item must be deposited in the pupil's locker. Student-athletes with oversized athletic bags must deposit their athletic bags in their locker, 4<sup>th</sup> period classroom (with teacher approval) or in a designated location by their in season coach upon arrival to school. No book bags, athletic bags or oversized bags are permitted in the hallways between 1<sup>st</sup> and 4<sup>th</sup> period.

8. Students are not permitted to leave the school premises for lunch.

#### CARE OF SCHOOL PROPERTY

Responsible students and good citizens need not be reminded that Cape Fear High School has an excellent school facility that should be respected in every way and kept in top condition. Defacing or damaging walls, desks, doors, lockers, walkways, books, and other school property is a sign of idleness and poor citizenship. Each year much money must be spent to refinish, repair, and replace equipment that has been needlessly damaged by irresponsible persons. It should be used appropriately and not abused. At Cape Fear we respect our school and try our best to see that it is protected from needless abuse.

Needless to say, anyone who damages or destroys school property will be expected to pay for that property. According to the seriousness of the offense, additional disciplinary action may be taken.

#### CONFISCATED ITEMS/ ELECTRONIC DEVICES

**Students are personally and solely responsible for the security of their personal electronic devices. Cape Fear High School is not responsible for the theft, loss or damage of students' personal electronic devices.**

**TARDY SWEEPS**

On occasion teachers and administrators from Cape Fear High School will conduct Tardy Sweeps. Students caught in the hall after the late bell in a “Tardy Sweep” will receive lunch detention for each offense. The student will not face extra consequences from the classroom teacher; however this will go against their number of tardies for the period in which they are late.

**THEFT PREVENTION**

The best method of theft prevention is to be conscious of the possibility of theft occurring and strive to eliminate these opportunities. Each student and employee of the school has a responsibility in the area of theft prevention; however, the school cannot be responsible for items that are lost or stolen. Listed below are some suggestions to help prevent theft:

1. The best practice is not to bring valuable items to school.
2. Never leave anything in a locker that does not have a lock. Never leave cameras, jewelry, money or valuables in a locker even if it has a lock.
3. Never leave anything other than clothing in the physical education dressing rooms. Valuables should not be taken to the gym. Any item placed in a gym locker during class should be secured with a lock.
4. If you are staying after school for practice or a club meeting, practice the same theft-prevention habits you would follow during school.
5. Remember: No one steals your lock unless you leave it **UNLOCKED!**

### **TOBACCO**

Tobacco products (including e-cigarettes, Juul's, etc.) are not allowed on school grounds or during any school activity. Student violators are subject to the following consequences.

1st offense-2 days of OSS

2nd offense- 3 days of OSS

3<sup>rd</sup> and Subsequent offences- A day of OSS will be added each time up to 10 days with possible referral to alternative placement if the behavior becomes disruptive.

### **TORNADO DRILLS**

Classes are to remain together and under the supervision of the teacher. Students are to sit in a crouched position with their head covered. Students must sit close together and remain quiet.

### **TRANSPORTATION**

**School transportation service is a privilege, not a right.** While riding a school bus, students at all times will observe the directives of the school bus driver and all other rules outlined in this code of conduct. The school principal, assistant principal and/or principal designee has the authority to suspend pupils from riding the bus for the following infractions, as well as any others announced during the year.

1. Delaying the bus schedule.
2. Fighting, smoking, using profanity or refusing to obey the instructions of school authorities or bus driver while riding the bus.
3. Tampering with a school bus.
4. Not sitting in assigned seat.
5. Refusing to meet the bus at the designated stops.
6. Unauthorized leaving of the bus when traveling from home to school or vice versa.
7. Playing, throwing trash, paper or other objects while the bus is in operation.
8. Violation of Cumberland County School Board Rules.
9. Failure to observe established safety rules and regulations.

Once the bus has been parked and students have disembarked, the vehicle is off limits for all students until the dismissal bell sounds at the end of the school day. The school bus is not a student lounge or a lunchroom. Riding the bus to school is a **PRIVILEGE AND NOT AN INHERENT RIGHT**. Students may lose this privilege by violating bus conduct rules. Students **MUST** ride their assigned bus. Buses are provided for students living beyond walking distance of the school. The bus driver has full charge over all pupils riding his/her bus.

Suspension from the bus may last from one day through the remainder of the school year, depending on the nature of the offenses. All Cape Fear rules for student behavior apply while riding the bus.

Cumberland County buses have scheduled times of arrival for stops on their routes. On a normal school day students should allow a ten (10) minute leeway before and after their scheduled time of pick-up. Please allow more time throughout the school year on inclement weather days or when problems may arise due to mechanical problems. Please feel free to call the administrator in charge of buses if you have any questions.

### **UNAUTHORIZED ITEMS**

No alcoholic beverages, narcotics, or harmful drugs are allowed on school grounds at any time. Students exhibiting the symptoms of being under the influence of the above controlled substances will be subject to disciplinary action. Any paraphernalia used in the consumption of controlled substances are also forbidden. These include, but are not limited to roach clips, rolling papers, bong, pipes, and accessories for cocaine, (ex. spoons, syringes, hypodermic needles), and pills not prescribed by a physician. (Students who have been prescribed medication by a physician should follow all procedures and submit these items to the proper personnel in the main office. At no time should students have any medication on their person or in their belongings.) Students may not bring items that are hazardous to the health and safety of themselves or others or that will interfere in some way with school procedures. **According to the Public School Laws of North Carolina and Cumberland County School Board policy, if it is**

**believed that a student has items that are harmful to his/herself or to others, *with reasonable suspicion*, school administrators are allowed to search the student and his/her belongings.** Any sharp or blunt instrument, including knives, guns, explosives, stink bombs, or incendiary device will be confiscated and the responsible person(s) charged under G.S. 14-284.1. In cooperation with local law enforcement, the CFHS staff may allow the K-9 units from the Cumberland County Sheriff's Office to conduct searches of the building, grounds, and all personal property located on the grounds.

**Students are responsible for any item on their person, in their vehicle, in their locker, or in their personal belongings.**

- the graduating student(s) ranking second in scholarship shall be named salutatorian(s), with the following stipulations:
  - To be considered for the Salutatorian, a student must be in membership 150 consecutive days at the school from which he/she will be graduating; however, a student graduating in less than four years or who has been in membership less than 150 days may be considered for co-salutatorian if his/her grades are equal to or greater than the student who has attended high school for four years

All visitors are required to report to the main office upon arrival to the school and obtain a visitors pass through the Lobbyguard system.

#### **DISCLAIMER STATEMENT**

No student or employee in the Cumberland County Schools shall on the basis of age, gender, race, religion, national origin, marital status or handicapping condition, be denied the benefits of, or be subjected to discrimination under any education program or activity. All Cumberland County schools maintain high academic standards.

**It is the policy of the Cumberland County Public School System not to discriminate on the basis of race, ethnic origin, sex or disability in its educational programs, activities or employment policies.**

## **Cheating and Plagiarism**

1. All teachers will develop and post a cheating policy for their individual classes. It will clearly define what constitutes cheating in their classes. Teacher's classroom policies will not include disciplinary action – that will be handled by the Assistant Principal. A copy of each teacher policy will be given to the Assistant Principal.
2. Each instance of cheating will be documented in Educators Handbook. The cheating episode will be described on the form or on a note attached to the form. The form will be given to the Assistant Principal who will then assign the punishment.
3. The standard punishment will be a zero on the assignment. Repeat offenders will be assigned ISS. The punishments will be cumulative by student – if they cheat once in class A and later in class B, the student will be disciplined for a second cheating incident.
4. Parents will be notified each time there is an instance of cheating discipline.
5. When a student has a grade point average that makes him/her eligible for an Academic Letter, the school discipline records will be reviewed. If the student is in the file for cheating and/or violations of the school discipline code, they may not be awarded a letter for that year.
6. When it is time to consider nominees for the Beta Club, the sponsor of the Beta Club and the Assistant Principal will consult the discipline records using the initial list of possible candidates (based only on grade point averages). If a student's name is in the discipline file 1 time for cheating or other major violations of the school discipline code, they may not be nominated.
7. Beta Club nomination in following years will also depend upon whether or not a student name appears in the discipline file. All discipline records are purged at the end of each school year, so each potential nominee will start their senior year with a clean slate. If they keep up their grades and neither cheat nor break other parts of the discipline code, students can be nominated after the first semester of their senior year. It is hoped that a student who has once been denied nomination will change his/her behavior and become eligible.

- using summaries/commentaries (*Cliffs Notes*, *Spark Notes*, etc.) in lieu of reading the assigned materials as a replacement for reading original text.
