Parents of CCS' students have 24/7 access to set up a parent portal account in the Home Base Parent Portal powered by PowerSchool at <a href="https://cumberland.powerschool.com/public/home.html">https://cumberland.powerschool.com/public/home.html</a> . Schools can provide parent portal access code letters to parents/guardians. Parents can link their students to their accounts so they only have one login to access students at multiple schools. Parents have access to assignment information, grades, attendance and bus information. This valuable tool provides parents a "real-time" view of their student's progress. If you have specific questions about the Home Base Parent Portal, please contact your child's school directly.

## ACCIDENTS

All accidents must be reported and documented by a school official. Anyone injured while on school property must immediately report it to a teacher/coach or any other school personnel. An Accident Report must be completed and submitted to the main office. These reports are forwarded to the Risk Management Office.

## ATTENDANCE POLICY

Compulsory Attendance Laws for the State of North Carolina apply. In order to be considered in attendance, a student must be present in the school for the school day or at a place other than the school with the approval of the appropriate school official for the purpose of attendance or a school activity that has been officially authorized under the policies of the Board of Education. Such activities may include field trips, athletic contests, student conventions, musical festivals, or any similar approved activity. A student shall be present at least one-half of the school instructional day in order to be recorded present for the day. The responsibility for school attendance will be that of the home. Parents and students are expected to cooperate with teachers and administrators to ensure regular attendance. To achieve an efficient and workable program regarding student attendance, the following procedures will be followed:

- 1) Once a student arrives on campus, the student becomes the responsibility of the school.
- 2) The classroom teacher and the office will keep daily records of attendance, check-ins and check-outs. Classroom attendance will be recorded each quarter of the report card.
- 3) Students who are absent 10 consecutive days without notifying the school of the reason for their absence, will be dropped from roll. Students under 16 will be considered truant and turned over to the District Attorney's Office.

The parent(s)/guardian(s) of any student who has been absent 3, 6, and 9 days in a class (lawful or unlawful) will be notified by mail of the absences and to be aware of the attendance policy.

## EXCUSED ABSENCES

- 1) **Illness or Injury:** An absence is lawful when the absence results from illness or injury that prevents the student from being physically able to attend school.
- 2) **Quarantine:** An absence is lawful when isolation of the student is ordered by the local health officer or by the State Board of Health.
- 3) **Death in the Immediate Family:** An absence is lawful when it results from the death of a member of the immediate family of the student. For the purpose of this regulation, the immediate family of a student includes, but is not necessarily limited to, grandparents, parents, brothers and sisters.
- 4) **Medical or Dental Appointments:** An absence is lawful when it results from a medical or dental appointment/procedure. Students should submit medical or dental paperwork for the excuse.
- 5) **Court of Administrative Proceedings:** An absence is lawful when it results from the attendance of a student at the proceedings of a court or an administrative tribunal if the student is a party to the action or under subpoena as a witness.
- 6) **Religious Observation:** An absence may be considered lawful if the tenets of a religion to which a student or his/her parent adhere require or suggest observance of a religious event. The approval of such absences is within the discretion of the local board of education, but

approval should be granted unless the religious observance or the cumulative effect of the religious observances is such duration as to interfere with the education of the student.

- 7) **Educational Opportunity:** An absence may be lawful when it is demonstrated that the purpose of the absence is to take advantage of a valid educational opportunity
  - a) **For college visits: Students must submit written proof from the college visited within two (2) days of their return to school. Seniors receive 2 days and juniors receive 1.**
  - b) **For extended travel:** Students must submit an “**ABSENCE REQUEST FORM**” to the principal ten (10) days prior to the absence, along with proper documentation (*example: medical paperwork, obituary notice, travel agenda, etc.*)

**“REQUEST FOR ABSENCE FORMS” may be picked up in the main office.**

### **UNEXCUSED ABSENCES**

Unlawful absence is defined as:

1. A student’s willful absence from school with or without the knowledge of the parent.
2. A student’s absence from school for any reason other than those listed under “Lawful Absences.”

Parents who refuse to comply with the health regulations of a community, such as compulsory vaccination, thereby causing a student to be excluded from school, or parents who permit a student to stay home or to be employed in any way contrary to the Child Welfare Law, shall be responsible for the nonattendance of the student.

The board policy for student attendance further incorporates by reference any additional rules and regulations of the State Board of Education governing compulsory school attendance and student accounting.

1. All students are required to furnish the attendance clerk with a signed parent’s note giving the reason for each absence from school. The note should include:
  - a. Students Full Name and Homeroom Teacher
  - b. Student ID Number
  - c. Parent Name and phone number to contact parent for verification of note
  - d. Date of absence(s)
  - e. Reason
2. Students have **two (2) days** to submit a written excuse once they return to school; after which the absence is considered unexcused. If all the above information is also not provided or the contact number is incorrect then the absence will be unexcused.
3. It is the student’s responsibility to make up work and tests within the **three (3) school days allowed for such make-up.** If the absence is unlawful, the student may not receive credit for work missed.

### **ABSENCE MAKE-UP POLICY**

Students with absences shall be given the opportunity to make up work missed in accordance with the following guidelines:

1. It is the responsibility of the student to coordinate arrangements with the teacher(s) to complete make-up work within three (3) school days upon the student’s return to school.
2. Exams or tests missed shall be taken at a time and place mutually agreed upon by the teacher and student.
3. Make-up tests will be of equal value and/or on the same material as the missed test. However, the make-up test may not necessarily be the same test.

4. Exams and assignments, announced prior to the student's absences, may be required to be made up immediately upon the student's return.
5. Students may be required to do alternative assignments in place of missed classroom activities.

### **CHECK-IN POLICY**

1. Students checking in after 8:40 am will be coded as unexcused unless documentation of a lawful excuse is submitted.
2. A student may present valid documentation of a professional appointment (*example: Doctor, dentist, lawyer, or court note*).
3. Disciplinary action will result after three (3) unexcused absences/check-ins.

### **UNEXCUSED CHECK-INS/CHECK-OUTS**

**\* Except for verifiable professional appointments or parents who come to school in person, there will be no check outs during 3rd period.**

**\*Students who drive to school may lose their parking permit for 45 days after five (5) unexcused check-ins and/or check outs.**

### **CHECK-OUT POLICY**

1. Parents or an emergency contact person must provide a photo ID in order to check the student out of school.
2. Students who drive must submit a dated, **handwritten** note with parent signature and the following:
  - a. Students Full Name
  - b. Student ID Number
  - c. Parent name and phone number to contact parent for verification of note.
  - d. A copy of parent's Driver's License
  - e. Reason for checking out
3. Check-outs will not be permitted after 3:15 pm unless documentation of a professional appointment can be provided.
4. **Except for verifiable professional appointments or parents who come to school in person, there will be no check outs during 3rd period.**
5. **During State Testing Sessions:** Students will NOT be allowed to check out prior to the end of the testing session. Testing sessions are not complete until all students at CFHS are done testing.
6. **NO PHONE CALLS OR EMAILS WILL BE ACCEPTED TO CHECK OUT A STUDENT. STUDENTS MUST SUBMIT A HANDWRITTEN NOTE FOR CHECKOUT.**

### **SKIPPING POLICY**

Students are expected to follow their assigned schedule each day. Students who fail to do so will have the following consequences:

**1<sup>st</sup> Offense** – 1 day assignment to the Restorative Justice Center (RJC).

**2<sup>nd</sup> Offense** – 2 days of RJC

**3<sup>rd</sup> Offense** – 2 days of OSS

## **VIRTUAL LEARNING PROTOCOLS AND EXPECTATIONS FOR STUDENTS**

### **CCS Expectations for Remote/Virtual Learning**

The standards for behavior and classroom expectations for the virtual (online) classroom environment are as important as the classroom environment in our traditional settings. The virtual classrooms are real classrooms with real teachers, therefore, appropriate student behavior is an expectation aligned with our Strategic Plan: Priority 3, Exceptional Environment.

The following standards, and rules, although not intended to be inclusive, govern the expectations that must be followed:

1. When students are in front of the camera on their device, they must be in appropriate dress as outlined in School Board policy 4316, Student Dress Code and School Board Policy 4300, Student Code of Conduct.
2. Students may not use any communication that will degrade, disrespect, or that is abusive in nature, whether by signs, symbols or gestures in the classroom environment. Any form of profanity/vulgarity is prohibited.
3. Students should demonstrate respect toward all other students, faculty and staff members.
4. Students are expected to log in to their student accounts and individually complete classroom work.
5. Students should work remotely from home in an area free from distractions and where the learning of others is not disrupted with visuals in the room and/or others in the room who are not involved.
6. Respect each student's right to learn.
7. Students should not send unsolicited e-mail to other CCS classmates. All forms of communication should be course-related in nature.
8. Students should participate in online learning only in their classroom unless invited to another session by the teacher.
9. Violations of these expectations will result in disciplinary action pursuant to this Student Code of Conduct and may result in the exclusion of the student from the virtual classroom environment.

## **SCHOOL CLUBS**

1. All new clubs must be approved by the principal and the CFHS School Improvement Team.
2. All clubs must have a teacher sponsor. The sponsor is responsible for supervising the club and attending all meetings.

3. Inclusivity and Non-Discrimination: All high school clubs must be open to all students, regardless of their race, gender, ethnicity, or sexual orientation. No club may exclude members based on these attributes.
4. Club Mission Statements: Clubs must submit a mission statement when they are established.
5. Membership Requirements: Membership requirements should be based on shared interests, activities, or goals related to the club's purpose. Clubs must not have membership requirements that target specific groups based on race, gender, or sexual orientation.
6. Equal Opportunity: Club leaders must ensure that all students have an equal opportunity to participate and engage within the club. Discrimination and favoritism based on any characteristic are strictly prohibited.
7. Club Names: The names of all high school clubs must not convey the appearance of exclusivity, discrimination, or bias based on race, gender, or sexual orientation. Names should be chosen with sensitivity to the diverse student body.
8. Anti-Bullying and Harassment Policies: Clubs should adhere to the Cumberland County Schools' anti-bullying and anti-harassment policies.
9. Event Planning: Clubs organizing events or activities should do so in a way that is open to all students. Special attention should be given to avoid scheduling events that may conflict with religious or cultural observances.
10. Transparent Communication: Clubs should communicate their activities, meeting times, and events clearly.
11. Consequences for Violations: Clearly outline the consequences for clubs or club members found in violation of these rules, which may include warnings, suspension, or the dissolution of the club.

### **BETA CLUB**

- The student must meet the basic guidelines for scholarship, leadership, character, and service of the National Beta Club.
- The student must have a cumulative grade point average of at least 3.5 (unweighted) or above. All students who can rise in scholarship to or above this minimum standard may be admitted to *candidacy* for selection to membership.
- Eligible students will be considered for membership if approved by the current membership and faculty advisor.
- If selected, new Beta Club members will be inducted into the organization at a ceremony held each spring.

### **BOOKS AND SUPPLIES**

Most materials necessary for your public school education are provided for you by the State of North Carolina. Textbooks and issued computers are school and state property. Whether lost, damaged or stolen, they must be paid for by the student. Charges will be assessed for lost and

damaged books, materials, supplies, equipment and property in accordance with established replacement or repair costs.

The following rules for payment apply if a book is lost/damaged:

- |                      |            |
|----------------------|------------|
| New Book             | Full Price |
| One Year old or more | TBA        |
- o A minimum lost book charge will be \$5.00.
  - o Rebinding Charge: \$7.00

The only bags permitted in classrooms are drawstring bags, purses, and lunchboxes no larger than a standard 8.5” x 11” sheet of notebook paper.

Immediately upon the student’s arrival at school, any book bag, athletic bag, or similar item must be deposited in the pupil’s locker. Student-athletes with oversized athletic bags must deposit their athletic bags in their locker, 4th period classroom (with teacher approval) or in a designated location by their in season coach upon arrival to school. ### **CARE OF SCHOOL PROPERTY**

Responsible students and good citizens need not be reminded that Cape Fear High School has an excellent school facility that should be respected in every way and kept in top condition. Defacing or damaging walls, desks, doors, lockers, walkways, books, and other school property is a sign of idleness and poor citizenship. Each year much money must be spent to refinish, repair, and replace equipment that has been needlessly damaged by irresponsible persons. It should be used appropriately and not abused. At Cape Fear, we respect our school and try our best to see that it is protected from needless abuse. Anyone who damages or destroys school property will be expected to pay for that property. According to the seriousness of the offense, additional disciplinary action may be taken.

### **CHROMEBOOKS**

All CCS students who require a chromebook for school related assignments, will be eligible to complete a CCS 1:1 Program Contract and be issued a CCS Chromebook. Students should only use the device in which they are assigned. The ultimate responsibility for loss and damages rests with the assigned user. The use of Cumberland County School's technology resources is a privilege, not a right. If a person violates any of the user terms and conditions named in the [CCS 1:1 Program Contract](#), the CCS Acceptable Use Policy, or the Student Code of Conduct, privileges may be terminated, access to school district technology resources may be denied, and the appropriate disciplinary action shall be applied.

At no time shall students share lockers. Students are responsible for the upkeep of their locker and lock. No posters, writing, stickers, or insignias are permitted on or in the lockers.

**The school will not be responsible for articles or books lost from a student's locker. Students are also reminded that there will be no sharing or exchanging of lockers. Any items found in a locker are deemed to be the property of the student assigned to that locker. Therefore if any unacceptable items are found in a student's locker that student may be subject to disciplinary action. Any violation of locker rules may result in an in-school or out-of-school suspension**

The parking lot for student use is located between CFHS and Mac Williams. Cars must be parked within the white lines on the parking lots. Students are to avoid parking in any area that is marked with yellow paint.

- Violation of the rules or illegal use of a vehicle on school grounds may result in permanent suspension of school parking privileges. The first offense or violation of parking will result in an automatic loss of driving privileges for up to 45 days. Student vehicles illegally parked on the school campus (*example, no decal, under suspension, unauthorized area*) will be towed at the owner's expense.
- The parking lot is not a place for loitering. If you are not on campus for extra-curricular activities you need to vacate the premises; failure to do so may result in disciplinary proceedings including loss of driving privileges.
- All students who park a car at Cape Fear High School are required to obtain an application from the main office and display an authorized parking tag.
- Parking permits are not transferable and may be used only by the student named and the vehicle identified on the parking permit application.
- Students are not permitted to drive motorcycles on campus.
- Disruptive, provocative, obscene or lewd vehicle adornments such as bumper stickers, decals, license plates, banners, flags, etc. are not permitted on school property.
- Once an application has been approved, the parking tag can be obtained in the front office. The cost of the tag will be \$50.00. Students will be given a complete listing of auto regulations at the time of vehicle registration.
- Loss of parking privileges may result in having to reapply and pay for a new parking tag.
- Students and parents are not permitted to park in the teacher parking lot or bus parking lot. Nor are students to be dropped off or picked up in the bus parking lot or teacher parking lot located in the back of the school.
- Students are not permitted to sit in his/her car upon arriving on campus or loiter in their cars or in the parking lot.
- During school hours, students must have administrative approval to go to their vehicle or to the parking lot.
- A student's car may be searched if reasonable belief exists that a student is in possession of items such as, but not limited to drugs, weapons, or other items that may be harmful to the welfare of the student or the student body.
- Any student who leaves campus during the school day without permission will have his or her parking permit revoked for up to 45 days.
- Parking permits may be revoked for: a) out of school suspension for any reason or any length of time; b) three tardies to school; c) parking in unauthorized areas; d) exceeding 10 miles per hour or making unsafe movements on campus; e) unauthorized visits to a vehicle.

- Only cars with current parking permits may be parked on school grounds. Cars without current parking permits will be immobilized or removed from school property at the owners' expense. A parking citation will be given if your permit is not visible.

**Any student aiding and abetting another student  
in leaving campus without being properly checked  
out will forfeit his/her parking permit.**

**STUDENTS MUST PRESENT A VALID DRIVER'S LICENSE, VEHICLE REGISTRATION AND A CURRENT INSURANCE CARD TO PURCHASE A TAG OR TEMPORARY PARKING PASS.**

**ALL STUDENTS MUST LEAVE CAMPUS AFTER SCHOOL – NO LOITERING IN THE SCHOOL PARKING LOT.**

### **TARDY POLICY**

Students should always be on time to class. Students caught in the hall after the late bell will receive the following consequences:

- Students will receive a written tardy slip for each tardy they receive.
- After 5 tardies, the student will be assigned RJC for 1 day.
- After 6 or more tardies, students may receive multiple days of RJC.

Students who drive to school may lose their parking permit if they accumulate more than four (4) tardies or unexcused check-ins to 1st period.

### **THEFT PREVENTION**

The best method of theft prevention is to be conscious of the possibility of theft occurring and strive to eliminate these opportunities. Each student and employee of the school has a responsibility in the area of theft prevention; however, the school cannot be responsible for items that are lost or stolen. Listed below are some suggestions to help prevent theft:

1. The best practice is not to bring valuable items to school.
2. Never leave anything in a locker that does not have a lock. Never leave cameras, jewelry, money or valuables in a locker even if it has a lock.

3. Never leave anything other than clothing in the physical education dressing rooms. Valuables should not be taken to the gym. Any item placed in a gym locker during class should be secured with a lock.
4. If you are staying after school for practice or a club meeting, practice the same theft-prevention habits you would follow during school.
5. School Administration nor the Safe School's Coordinator will conduct an investigation for lost or stolen items.
6. Remember: No one steals your lock unless you leave it **UNLOCKED!**

### TOBACCO

Tobacco products (including e-cigarettes, Vapes, Juul's, etc.) are not allowed on school grounds or during any school activity. Student violators are subject to the following consequences.

1st offense-2 days of RJC

2nd offense– 3 days of RJC

3<sup>rd</sup> and Subsequent offenses– OSS will be added each time up to 10 days with possible referral to alternative placement if the behavior becomes disruptive.

### TORNADO DRILLS

Tornado Drills will be signaled by a continuous series of three short rings of the bell. All personnel will congregate in the designated areas on the ground floor. Classes are to remain together and under the supervision of the teacher. Students are to sit in a crouched position with their head covered. Students must sit close together and remain quiet.

## TRANSPORTATION

**School transportation service is a privilege, not a right.** While riding a school bus, students at all times will observe the directives of the school bus driver and all other rules outlined in this code of conduct. The school principal, assistant principal and/or principal designee has the authority to suspend pupils from riding the bus for the following infractions, as well as any others announced during the year.

1. Delaying the bus schedule.
2. Fighting, smoking, using profanity or refusing to obey the instructions of school authorities or bus drivers while riding the bus.
3. Tampering with a school bus.
4. Not sitting in assigned seats.
5. Refusing to meet the bus at the designated stops.
6. Unauthorized leaving of the bus when traveling from home to school or vice versa.
7. Playing, throwing trash, paper or other objects while the bus is in operation.
8. Violation of Cumberland County School Board Rules.
9. Failure to observe established safety rules and regulations.

Once the bus has been parked and students have disembarked, the vehicle is off limits for all students until the dismissal bell sounds at the end of the school day. The school bus is not a student lounge or a lunchroom. Riding the bus to school is a **PRIVILEGE AND NOT AN INHERENT RIGHT**. Students may lose this privilege by violating bus conduct rules. Students **MUST** ride their assigned bus. Buses are provided for students living beyond walking distance of the school. The bus driver has full charge over all pupils riding his/her bus.

Suspension from the bus may last from one day through the remainder of the school year, depending on the nature of the offenses. All Cape Fear rules for student behavior apply while riding the bus.

Cumberland County buses have scheduled times of arrival for stops on their routes. On a normal school day students should allow a ten (10) minute leeway before and after their scheduled time of pick-up. Please allow more time throughout the school year on inclement weather days or when problems may arise due to mechanical problems. Please feel free to call the administrator in charge of buses if you have any questions.

## UNAUTHORIZED ITEMS

No alcoholic beverages, narcotics, or harmful drugs are allowed on school grounds at any time. Students exhibiting the symptoms of being under the influence of the above controlled substances will be subject to disciplinary action. Any paraphernalia used in the consumption of

controlled substances are also forbidden. These include, but are not limited to vapes, e-cigarettes, dab pens, roach clips, rolling papers, bongs, pipes, and accessories for cocaine, (ex. spoons, syringes, hypodermic needles), and pills not prescribed by a physician. (Students who have been prescribed medication by a physician should follow all procedures and submit these items to the proper personnel in the main office. At no time should students have any medication on their person or in their belongings.) Students may not bring items that are hazardous to the health and safety of themselves or others or that will interfere in some way with school procedures. **According to the Public School Laws of North Carolina and Cumberland County School Board policy, if it is believed that a student has items that are harmful to his/herself or to others, *with reasonable suspicion*, school administrators are allowed to search the student and his/her belongings.** Any sharp or blunt instrument, including knives, guns, explosives, stink bombs, or incendiary device will be confiscated and the responsible person(s) charged under G.S. 14-284.1. In cooperation with local law enforcement, the CFHS staff may allow the K-9 units from the Cumberland County Sheriff's Office to conduct searches of the building, grounds, and all personal property located on the grounds.

**Students are responsible for any item on their person, in their vehicle, in their locker, or in their personal belongings.**

### **VENDING MACHINES**

- Cape Fear High School will not be held liable for any currency lost in a vending machine located on the school campus. Student use of vending machines is at their own risk.
- Vandalism of any of the vending machines may result in disciplinary action.
- On a normal school day the vending machines may not be used from 12:00 A.M. through 4:00 P.M.
- At no time should students be allowed to access/use the vending machines located in the teacher workroom.

### **VISITORS**

Students may not bring guests or non-students on campus at any time during the school day. This specifically includes, but is not limited to, preschool children, out-of-town friends, relatives, former students or acquaintances. This includes any non-student relatives or any non-student regardless of age.

Parents/Guardians who would like to visit/observe a teacher's class must schedule their visit at least 48 hours in advance so that an administrator may assist with the classroom visit/observation.

All visitors are required to report to the main office upon arrival to the school and obtain a visitors pass through the Lobbyguard system.

## DISCLAIMER STATEMENT

No student or employee in the Cumberland County Schools shall on the basis of age, gender, race, religion, national origin, marital status or handicapping condition, be denied the benefits of, or be subjected to discrimination under any education program or activity. All Cumberland County schools maintain high academic standards.

**It is the policy of the Cumberland County Public School System not to discriminate on the basis of race, ethnic origin, sex or disability in its educational programs, activities or employment policies.**

## CHEATING AND PLAGIARISM

1. All teachers will develop and post a cheating policy for their individual classes. It will clearly define what constitutes cheating in their classes. Teacher's classroom policies will not include disciplinary action – that will be handled by the Assistant Principal. A copy of each teacher policy will be given to the Assistant Principal.
2. Each instance of cheating will be documented in the Alternate Behavior Education Program (ABE). The cheating episode will be described on the form or on a note attached to the form. The form will be given to the Assistant Principal who will then assign the punishment.
3. The standard punishment will be a zero on the assignment. Repeat offenders will be assigned to the RJC. The punishments will be cumulative by students – if they cheat once in class A and later in class B, the student will be disciplined for a second cheating incident.
4. Parents will be notified each time there is an instance of cheating discipline.
5. When a student has a grade point average that makes him/her eligible for an Academic Letter, the school discipline records will be reviewed. If the student is in the file for cheating and/or violations of the school discipline code, they may not be awarded a letter for that year.
6. When it is time to consider nominees for the Beta Club, the sponsor of the Beta Club and the Assistant Principal will consult the discipline records using the initial list of possible candidates (based only on grade point averages). If a student's name is in the discipline file 1 time for cheating or other major violations of the school discipline code, they may not be nominated.
7. Beta Club nomination in following years will also depend upon whether or not a student name appears in the discipline file. All discipline records are purged at the end of each school year, so each potential nominee will start their senior year with a clean slate. If they keep up their grades and neither cheat nor break other parts of the discipline code, students can be nominated after the

first semester of their senior year. It is hoped that a student who has once been denied nomination will change his/her behavior and become eligible.

### **Plagiarism**

Plagiarism includes:

- taking someone else's assignment or portion of an assignment and submitting it as one's own

- presenting the work of tutors, parents, siblings, or friends as one's own
- submitting purchased papers as one's own

- using any form of memory aid during tests or quizzes without the expressed permission of the instructor
- using a computer or other means to translate an assignment from one language into another language and submitting it as an original translation
- giving or receiving answers during tests or quizzes. It is the student's responsibility to secure his or her papers so other students will not have the opportunity or the temptation to copy
- taking credit for group work when the student has not contributed an equal or appropriate share toward the final result
- accessing a test or quiz for the purpose of determining the questions in advance of its administration.
- using summaries/commentaries (*Cliffs Notes*, *AI*, *Spark Notes*, etc.) in lieu of reading the assigned materials as a replacement for reading original text.
- Do not read or scan someone else's paper before writing your own. Some of the ideas in the other person's paper may be ideas that you would have used, but you will now need to credit the person whose paper you read for those ideas.
