

# MCES MUSTANG MONTHLY

April 2022

We empower individuals to become caring, competent, responsible global citizens who value education as a life long process.

## A Word From Mrs. Powell

Special thanks to the families that attended K-2 Resource Night and 3-5 EOG Assessment Night. While attendance wasn't as high as we would have hoped, we know that the families that did attend got valuable information. Parents, please reach out to your child's classroom teacher for more information about upcoming assessments.

## Kindergarten Showcase

Montclair will host a Virtual Beginner's Day Kick-Off for families of rising 2022-2023 Kindergarten students on Friday, April 8 at 9:00 a.m. This event will provide parents with an overview of registration requirements, what to expect during the CCS Kindergarten Showcase, upcoming dates, timelines, opportunities to visit schools, and staggered entry information.
