CODE OF CONDUCT MASSEY HILL CLASSICAL HIGH SCHOOL

INTRODUCTION

The code of behavioral rules and disciplinary guidelines of Massey Hill Classical High School provide a uniform standard of conduct for all public school students, which emphasize the maintenance of an atmosphere where orderly learning can take place. It defines behavioral rules, disciplinary procedures, and actions to be taken in accordance with the Cumberland County Code of Conduct.

The code is based on the premise that rules must be enforced fairly, firmly, and consistently in a manner that is equitable and just, while complying with state mandates and regulations. It recognizes that as students progress in school and advance in age and maturity, they will assume greater responsibility for their actions. It recognizes that differences in age and maturity require different types of disciplinary action. The process of discipline is intended to be instructional and corrective.

The responsibility for school discipline is not the exclusive domain of the administrative staff. All those who are involved (students, teachers, parents, and community members) should work together in an atmosphere of respect, cooperation, and courtesy to ensure an effective discipline program.

RIGHTS AND RESPONSIBILITIES

The protection and safeguards of the United States Constitution and, more particularly, of the Bill of Rights apply to all students. Responsibility is inherent in all rights. The school environment is a community of individuals who live and interact based upon commonly shared expectations, rights and responsibilities, and common sense. Maintaining a safe, positive environment where orderly learning is possible and encouraged as students and school personnel work toward mutually recognized and accepted goals, requires the combined effort and partnership of students, parents, teachers, school administrators, and others involved in the educational process.

CODE OF GOOD CHARACTER

Respect - I will act with courtesy, tolerance, and dignity.

Responsibility - I will be dependable, punctual and accountable for my actions.

Integrity - I will have the courage to do the right thing.

Caring - I will demonstrate kindness, consideration, and compassion.

Self-Discipline - I will exercise positive self-control.

Trustworthiness - I will be honest and fulfill commitments.

Fairness - I will be impartial and equitable.

Citizenship - I will honor and contribute to the laws, policies, and human rights of the land.

HONOR CODE

As a member of the Massey Hill Classical Family, I will always demonstrate integrity, academic honesty, and personal self-discipline, as I complete my own work, avoid

plagiarism, or any other form of academic misconduct.

Examples of academic misconduct include but are not limited to:

- Plagiarism – taking someone else’s ideas, words, and/or work and passing it off as one’s own
- Copying another student’s work
- Cutting and pasting from the Internet when original work is required.
- Use of electronic devices to cheat.
- Providing unauthorized assistance to other students on class work, tests, homework.

Consequences

1st Offense:

- Give a zero for the assignment
- Contact parent or guardian

2nd Offense:

- Refer to administration for disciplinary action.

- No checkouts are permitted for any student after 2:15 p.m

Cell Phones & Other Electronic Devices: Acceptable use of electronic devices in classrooms is at the discretion of the teacher, and may be denied either temporarily or permanently if the student engages in inappropriate, non-educational uses. Students are also personally responsible for the security of electronic devices; Cumberland County Schools is not responsible for the repair of personal digital devices (phones, iPads, etc.).

Electronic Devices: Use of certain electronic devices is permitted at Massey Hill Classical High School as described below. The school is not responsible for electronic devices students bring on campus. Permissibility of each type of electronic device is described as follows:

Disruptive Electronic Devices

1. Disruptive electronic devices are defined as devices deemed distracting to the educational environment.
2. Use of cameras or cell phones, to take still pictures or video, is not permitted on school grounds unless under direction and supervision of school personnel with parental consent.
3. The misuse of permissible electronic devices in a manner distracting to other students and school personnel is not allowed. The misuse of electronic devices includes but is not limited to:

Consequences of Inappropriate Use of Electronic Devices

Violation of the appropriate use of electronic devices as described above (1) may result in detention **Students are required to turn in the device to school personnel and the parent may pick up the device from administration at the end of the day. Privileges may be suspended according to the following guidelines (1) same day release, (2) parent release (3) parent release, with detention (4) parent release, with ISS (5) suspension of electronic privilege for remainder of the grading period.**

Students are not allowed to refuse to turn device over to school personnel. Refusal to follow directions will result in suspension of electronic privileges for a time determined by administration.

Lost or Damaged Devices

Massey Hill Classical High School assumes NO responsibility for the theft, loss, or damage of electronic devices brought to school. Students bring these devices at their own risk.

All Electronic Devices: Classroom teachers have the ultimate control over when and what type of electronic devices are used in the classroom.

Telephones: Classroom and office telephones are not for student use except in case of an emergency. You are asked to remind your family not to call you at school unless there is an emergency, at which time the message from your family will be delivered to you.

Truancy: All students must adhere to the given schedule. The following actions constitute truancy:

- Leaving the campus without permission. Students **must** check out through the main office.
- Being absent from school without a parent's prior knowledge
- Not attending class
- Being in the hall without permission
- Leaving class without permission
- Using forged notes to leave class or leaving class under false pretenses
- Unexcused tardiness to class
- Absence from one teacher's class to help another teacher without approval from **both** teachers and the administration
- Students leaving campus after arrival without a parent's permission given to office personnel for check-out, constitutes skipping (including restaurant next door and Drugstore).

Parents or guardians will be notified if a student is caught not attending class. Truancy is a code 2 absence.

Visitors: Visitors will report immediately to the front office to receive a visitor's pass. **Students cannot bring children, friends, or relatives to school. PARENTS ARE WELCOME AND ENCOURAGED TO VISIT AND OBSERVE.** Parents wishing to observe their student's classroom must complete the volunteer security form approved through the county. Approval must be obtained through CCS before a parent can observe a classroom.

LUNCH VISITATION: Parents/approved contacts may eat lunch with students. **ALL OTHERS ARE WITH ADMINISTRATIVE APPROVAL ONLY.**

Other Rules: Specific guidelines mentioned elsewhere in this handbook are considered Massey Hill Classical High School rules.

These behavior rule definitions apply to all students in attendance in school and support programs, as well as, school-sponsored activities and events, either on or off campus. **The violation of any county and/or school rule(s) may result in suspension. The administration has discretion in making judgements relating to the MHCHS rules.**

It is our hope that everyone will accept these regulations and follow them completely. Common courtesy and attempts to honor the rights of others will make these rules effective. Punishment is not the only course of action for an infraction, but it may be necessary in some cases. However, the best course of action that a student, faculty member, or administrative official can follow is to respect and observe the rights of others.

STUDENT ATTENDANCE POLICY

Students under the age of 16 must adhere to the North Carolina compulsory attendance law (G.S. 115c-378). Students are required to attend school 180 days or 90 days each semester based on an A/B or 4 x 4 schedule. A student shall be present at least one half of the period in order to be recorded present for the period. Students must be in attendance 90% of the instructional year in order to receive credit for a course. **A student missing 18 or more classes in a year-long course or 9 or more in a semester class will not meet the attendance requirements and may not receive credit for that course. Please see your administrator if attendance is or will be an issue.** Parents will be notified in writing when a student accumulates three (3), six (6), and ten (10) unlawful absences.

- The responsibility for school attendance will be that of the home. Parents and students are expected to cooperate with teachers and administrators to ensure regular attendance. To achieve an efficient and workable program regarding student attendance, the following procedures will be implemented:

- **NO ATTENDANCE RECOVERY WILL BE OFFERED.** The expectation is that students will attend school each and every day, prepared to learn

A conference with the principal and school social worker will be required for ten (10) unlawful absences and court action will be considered. **An unlawful absence is any absence that does not meet the criteria for lawful absence or for which written documentation is not provided by the parent or guardian within three (3) days.** Parents may provide written notes excusing their child's illness, however, if a student accumulates (10) lawful absences due to illness, a note from a medical provider will be required unless there is a documentation of a medical diagnosis on file at the school.

MASSEY HILL CLASSICAL HIGH SCHOOL ATTENDANCE POLICY

In order to receive a passing grade for a course, a student must be in attendance for ninety percent (90%) of the class time or its equivalent as determined by the principal (CCS Board Policy File IHE). At Massey Hill Classical High School, the 90% attendance rate is equivalent to no more than 9 absences for the particular course.

- To be counted present for the individual class, the student must be in attendance one half of the class period.
- If a student has missed class due to a field trip, he/she will be required to make up missed assignments. Alternate assignments cannot be excessive or punitive. If a student misses class due to standardized testing (ACT, PLAN, AP, PSAT) students will be exempt from the class assignment.
- Suspended students shall be provided an opportunity to take any semester or end of grading period examinations missed during the suspension period for credit. Students will be provided opportunities for make-up work for credit for absences due to suspensions.
- Students who are hospitalized will be dealt with on an individual basis.

Choice School students are not allowed flexibility from attendance expectations. Students must be in compliance with the school attendance policy. Principals will inform the Student Assignment office when the Choice School student has six (6) unexcused tardies. After 10 cumulative instances of tardiness, late pick ups or early checkouts, a Choice School student may be returned to their home school at the principal's discretion.

MAKE-UP WORK POLICY

Students are encouraged to complete their academic obligations after an absence(s). The privilege of make-up work after an absence is limited to those students with excused reasons for the absence or suspended students per board of education policy. Students are responsible for making up any missed work. They should check with their subject-matter teacher to find a convenient time to make up for missed work.

In coherence with Cumberland County Schools: Makeup of missed assignments by a high school student on a 4 x 4 schedule must be completed within three school days of the student's return to school. If the teacher is unable to give a student the original assignment as makeup work, then the teacher shall provide an alternative but comparable assignment to be completed by the student. A teacher may allow for an extension of makeup assignment deadlines in the case of valid, extenuating circumstances.

NON-SCHOOL SPONSORED FIELD TRIPS

Requests for students to be counted present while attending non-school sponsored field trips should be submitted in the form of a letter to the principal no less than one week in advance of the scheduled absence. No more than two occurrences per school year will be allowed. Seniors who have scheduled appointments directly related to their post-secondary plans must submit the appropriate form available through the Student Services. A maximum of two days will be allowed for each senior per school year. It is understood that students must arrange with each teacher to make up any assignments and/or tests missed.

SCHOOL SPONSORED FIELD TRIPS

Students must receive permission from their teachers in order for them to attend a field trip. This information is to be obtained on the Parental Permission Form. Field trips are not considered absences.

Any news releases pertaining to the school or clubs should be turned in to Valerie Deane who will serve as the official School News Contact.

Constitutions

Every club should have a copy of its constitution on file with the Student Council. Every club member should also have a copy of his/her club's constitution. If a club member cannot obtain a copy from the secretary of the organization, he/she can get one from the Student Council.

Conventions

Conventions are one of the most enjoyable parts of club work. Convention delegates may be chosen by the club officers or elected by the entire club. Those selected to go will need parental approval and that of the principal. Transportation will be arranged in most cases by the club advisor. However, in nearly all cases, personal expenses are not paid for by the various clubs. No more than eight students will be allowed to attend overnight conventions without prior approval of the principal.

Elections

Club elections are held at the beginning or end of the school year. The only exception is the Key Club, which must elect officers in February. Election procedures are outlined in each club's constitution. If a club member has a question concerning specific elections, he/she should contact an officer of the organization involved.

Meetings

All club or class meetings must be attended by the sponsor or sponsors who will be responsible for the conduct of the group.

APPLICATION GUIDELINES

COLLEGE APPLICATIONS

Applying to colleges, technical schools, or other institutions can be a stressful experience. An incomplete application will delay admissions decisions and may even jeopardize your acceptance. To make the process as easy and efficient as possible, the Student Services Center has developed the following guidelines.

Ways to Apply:

1. Early Decision – Admissions are BINDING. If you are accepted, you must attend.
 2. Early Action – Admissions are non-binding. Deadlines are usually in mid-October for both Early Decision and Early Action applications.
 3. Regular decision deadlines are dependent upon school. Visit your desired school's website for specific instructions.
- It is important to research several colleges before you begin filling out applications. An excellent resource for finding admissions requirements, majors offered, application fees and deadlines, campus life, etc. is the College Board website. www.collegeboard.org
 - Fill out and sign a transcript release form (available from the Data Manager). Completed request forms are kept on file and should be pulled to request additional copies. Please allow 24 hours for the request to be filled.

- If the institution you are applying to requires an application fee, they can be paid online or mailed a check addressed to their admissions office.
- Ask appropriate references for letters of recommendation when required. Request forms can be found in the Student Services Center or at the end of this guide. Please allow up to two weeks for the letter of recommendation to be completed by a teacher.
- The activity form is available from your counselor, on the Edmodo page, and in the back of this guide.
- Pay attention to deadlines, especially if you need individual help with an application and/or a transcript. Your counselor may not be available to help on short notice. We cannot guarantee last minute service.

SCHOLARSHIP APPLICATIONS

- Scholarship information is provided on the shelves outside of the Student Services Center and on the Edmodo page. Information is updated as it is received. Be sure to read the requirements to determine your eligibility for the scholarships that interest you.
- If you meet the criteria and need more information, please schedule an appointment with your counselor.
- Most scholarships are open to all eligible seniors, but if the school is required to nominate one or more candidates, the Scholarship Selection Committee will select the most qualified students.
- Allow plenty of time to complete scholarship applications. You will be judged not only on your qualifications, but also on how you present them. Follow the instructions exactly and have someone else proofread your work, especially essays.
- Meeting deadline dates is essential to remain a viable candidate for scholarship competitions. The deadline date the application has to be postmarked or received by the sponsoring organizations will be listed on the bulletin and the cover sheet. It is your responsibility to complete the application packet and ensure that it is received by the deadline.
- Most scholarship applications must include an official transcript. Please follow the guidelines explained on the previous page.
- The Student Services Center makes every effort to ensure that only legitimate scholarships are publicized. Scholarship opportunities are researched before they are published or distributed.

If, however, you must miss school for a college visit, you must fill out the College Visitation Form. The form may be found in the Student Services Center, on the school's website, or in the appendix of this manual. No more than two occurrences per school year will be allowed.

Students must also provide proof that they were in attendance, such as brochures, receipts or photos. It is understood that students must arrange with each teacher to make up any assignment and/or tests missed.

HINTS FOR A CAMPUS VISIT

COLLEGE ADMISSIONS TESTING

The information below describes the tests you need to take to prepare for your education after high school and when to take them. Students must register for them and pay the appropriate fee if one is required. A limited number of fee waivers are available for qualified students. The Student Services Center has all necessary information and registration materials. If you or your parents have any questions, please contact your counselor.

- PRE-ACT** The PRE-ACT is the practice test for the ACT, a college admissions test. Most juniors have taken the PRE-ACT and can use the scores to predict how they may do on the ACT.
- PSAT** The PSAT is the practice test for the SAT, the other college admissions test. Students may take the PSAT in their Sophomore and Junior years to help prepare for the SAT. Students who score high enough on the PSAT may be considered for the National Merit Scholarship Competition.
- ACT** This is a curriculum-based test, which means that it tests you on information you have studied in English, Math, and Science classes since the 9th grade. How well you do on the test is directly related to the number of challenging academic courses you take. The ACT is offered free of charge to juniors in the spring. You may retake the test by applying at ACT.org and paying the required fee.
- SAT** The SAT measures developed verbal and mathematical reasoning abilities related to successful performance in college. An optional writing component is also available. The College Board recommends that you complete Math 3 prior to taking the SAT. Registration can be completed online at www.Collegeboard.org. There is a fee required.

Other Tests

Placement Tests: Community Colleges use their own placement tests to determine applicants' qualifications for specific programs. FTCC, for example, uses a version of the PRE-ACT called NCDAP. Acceptable scores on the Pre-ACT, PSAT, ACT or SAT may exempt you from testing.

ASVAB: The Armed Forces Vocational Aptitude Battery of Tests is not only the "admissions" test for the military, it is an excellent tool for assessing your aptitude for different career areas. Please see your counselor for scheduling information. There is no cost and participation is voluntary.

FEES:

- ACT** The ACT test requires a fee of \$46 without the writing portion and \$62.50 with writing. Late registration will incur an additional fee of \$26.
- SAT** The SAT test requires a fee of \$26. Subject tests are an additional \$21 per test.
- Other fees such as changes to the test site, test type (SAT or SAT Subject), and late fees range from \$15 to \$49 and can be found on the website.

ACCOMMODATIONS:

If you currently receive testing accommodations through an IEP or a 504 plan, you may qualify to receive them on the SAT tests. Forms must be completed through Dr. Jordan in the front office.
