

# *Reach for the Stars!*

Sherwood Park Elementary School proudly present

STEM Night

January 19<sup>th</sup> at 5 p.m.

Our theme, “Reach for the Stars,” says it all. Students and families will explore Outer Space by:

- Viewing the Moon (If weather permits)
- Building and testing Straw Rockets
- LEGO Mars Rover Build
- Telescope build
- Reading under the stars (Tents and Faux Campfire)
- STARward STEM demonstration
- Take-away activities to enjoy at home
- Raffle will be held at the end of the night

Please make plans to attend our exciting hands-on STEM Night program.
