Eastover-Central School Partners giving at the **Gold and Platinum Levels** will be added to our "Champion Partners in Education Sign."

The sign is in a great location for all parents to see as they drop-off and pick-up their children.

# Eastover-Central Elementary School of Arts

## Tradition

As I am sure you are well aware, Eastover-Central Elementary School of Arts has long had a rich and storied academic tradition. In addition to these accomplishments, our students receive a first-rate cultural arts education that is second to none which includes strings, drama, music as well as the visual arts. In order to ensure that we continue to offer our current students what has proven to be so beneficial to our past Champions, it is necessary for us to seek financial assistance from local businesses, organizations and individuals in hopes that they become a Partner in Education.

## Title I

Eastover-Central does receive some Federal Title I funding. However, each year we are on very close to receiving or not receiving this funding. This could reduce our funding by approximately \$45,000.00 a year if we were not to qualify.

## Why we need your help

We want to be prepared so that we can continue to our school community with not only a successful academic and cultural education, but we also ensure that each student grows each and every day in a healthy emotional and social environment.

Potential Track

**There are four giving levels that would qualify you to become an Eastover-Central Elementary School of Arts Partner in Education.**

**Bronze: \$100.00-\$499.99**

**Silver: \$500.00-\$999.99**

**Gold: \$1,000.00-\$2,499.99**

**Platinum: \$2,500.00 and Above**

## Goals

Our goal this year is to raise \$100,000. Although a lofty goal, we want to be prepared to continue to provide our students with a quality, comprehensive academic and cultural arts education.

**This funding we raise will go towards the following:**

**Student Incentives**

**Teacher Resources**

**Literacy Curriculum**

**Technology Needs**

**Arts Curriculum**

**Field Trips**

**School Beautification**

**Walking Track (see picture)**

Thank you for your help in achieving our goal! Please feel free to contact the school if you have any questions.

Sincerely,

V. Lee Spruill III, Principal
