Orientation for our students is extremely important at RSHS. During our orientation program there are a few key notes that we try to instill with each & every student:

1. **Consistency:** Each student plus the parent/guardian will be aware of the expectations while attending RSHS. Also making sure that each pupil has the knowledge of our school policies & procedures, all parties will be held accountable on this information.
2. **Confidence:** Every staff member is devoted towards building confidence with every student that we come into contact with & that begins at orientation. We understand that not being at your home school can be a bit uncomfortable & overwhelming. Our goal here is to make adapting to a new environment not so intimidating.
3. **Success:** *Your* success is *our* success here at RSHS. We want students to have a positive attitude, realistic expectations & overall satisfaction of experience while they are here. Here at RSHS we are, “Always Learning & Always Growing.”
