**Office Productivity  
Applications**  
will switch to  
**Health/PE**

Students who are in  
**Health/PE** will switch to  
**Office Productivity  
Applications**

---

# STUDENT EXPECTATIONS

- Students are expected to be engaged in each of their classes, which includes completing assignments and staying on schedule. Participating in online teaching sessions with their cameras on and attending to asynchronous work is required.
- Cumberland Academy is a choice program. Students that enroll in Cumberland Academy commit to the program for the school year. If you plan to attend a different school next year have your parent contact Student Assignment for an Exit Form.

*I wish you a restful, happy, and healthy winter break.*
