CUMBERLAND COUNTY SCHOOLS STUDENT CODE OF CONDUCT

VISION STATEMENT

Every student will have equitable access to engaging learning that prepares them to be competitive, collaborative, and successful in our global world.

MISSION STATEMENT

Cumberland County Schools will provide a safe, positive, and rigorous learning environment to prepare lifelong learners to reach their maximum potential.

STATEMENT OF PURPOSE

An educated citizenry is essential to good government in this country and cannot exist without effective public schools that offer a high quality education to all students. The purpose of this Student Code of Conduct is to state clearly the standards for acceptable conduct of students. The goal of student discipline is to maintain safe and caring schools to teach students to behave in ways that contribute to academic achievement and school success, and to support an exceptional school environment where students and staff are responsible and respectful. As such, school disciplinary measures should be used to preserve the safety of students and staff. Cumberland County Schools is committed to providing an exceptional environment where teaching and learning take place in an atmosphere free from disruption and obstacles that impede learning.

NON-DISCRIMINATION STATEMENT

The Cumberland County Schools does not discriminate on the basis of race, color, national origin, religion, sex, disability, age, genetic information, or other prohibited basis in its programs and activities and provides equal access to designated youth groups. The following office has been designated to handle inquiries regarding the non-discrimination policies:

Name and/or Title: Office of School Support
Address: P.O. Box 2357, Fayetteville, NC 28302
Telephone No: (910) 678-2495

Cumberland County Schools is committed to Title IX compliance. Inquiries concerning Title IX may be referred to each school's principal, who serves as the Title IX coordinator for each school, or to the United States Department of Education Office of Civil Rights.

GENERAL PROVISIONS

Students should recognize their responsibility to know the contents of this Student Code of Conduct and to ask the local school administration or staff for any clarification. All students, regardless of age, are subject to the rules and regulations of Cumberland County Public Schools. Each local school will review the contents of this handbook with its students.

All students are expected to comply with all rules governing behavior and conduct. It is the responsibility of the principal/assistant principal to investigate fully the cases of students appropriately referred to his/her office for misbehavior, to ensure fair treatment of such students and protection of their procedural and substantive rights, and to determine what, if any, disciplinary action is warranted. The teacher shall have the responsibility and authority to discipline students, except in those cases requiring the attention of the principal/assistant principal.

- Unless otherwise specified, and/or with the exception of a Class V violation as later defined, this code shall apply to all students in the system before, during, and after school hours while at school, in any school building, and on any school premises; on any school-owned vehicle or in any other vehicle used to transport students to and from any school or school activities; bus stops; off school property at any school-sponsored or school-approved activity, event, or function, including athletics; and during any period of time when students are subject to the authority of school personnel; to include conduct which occurs off school property which has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the schools or the safety of individuals in the school environment.
- The principal/assistant principal of the school to which the student is officially enrolled shall be responsible for imposing any disciplinary action upon the student for rule violations occurring away from the student's home school.
- Any student who drives a vehicle onto any Cumberland County Schools' property is responsible for the contents of that vehicle. Prior to coming onto Cumberland County Schools' property, students should ensure that the vehicle does not contain any contraband which would violate the law or any school rule.
- Possession shall be defined as the prohibited item being on the person, in the student's personal effects, vehicle, locker, desk, or in the immediate control of the student.

In assigning appropriate disciplinary consequences under this Code of Conduct, eligible students will be given all rights as provided by the IDEA, Section 504 of the 1973 Rehabilitation Act and the 1990 Americans with Disabilities Act. Procedures on implementing requirements for students with disabilities are found in Policies Governing Services for Children with Disabilities and Section 504 Procedures and Guidelines handbook.

During the period that a student is suspended or disciplinarily reassigned to an alternative program, he/she is prohibited from entering the grounds of any school in the Cumberland County School system or from attending any school-related functions, including graduation, without the express permission of the building principal. During a period in which a student is long-term suspended or disciplinarily reassigned to an alternative program, the student is prohibited from any Cumberland County School system property other than the alternative school/program to which the student has been reassigned.

Violation of Board policies, this Student Code of Conduct, any behavior management plan or regulations issued by the individual school, or any North Carolina General Statutes may result in disciplinary action including expulsion or suspension of the student from Cumberland County Schools pursuant to the Due Process Procedures for Cumberland County Schools.

Violations of the Cumberland County Schools' Student Code of Conduct may result in a Disciplinary Reassignment to an alternative education program. If the principal determines that a Disciplinary Reassignment is appropriate, the principal may recommend to the superintendent or his/her designee that the student be reassigned to an alternative educational program.

Disciplinary reassignment of a student to a full-time educational program that meets the academic requirements of the standard course of study established by the State Board of Education and provides the student with the opportunity to make timely progress towards graduation and grade promotion is not a long-term suspension requiring the due process procedures described in Policy 4353 – Long-Term Suspension, 365-Day Suspension, Expulsion.

In addition to the compulsory attendance law, if the student fails to enroll in and regularly attend the alternative educational setting as reassigned, or other appropriate school (e.g. private or charter school, North Carolina Virtual Public School, etc.), the disciplinary reassignment will continue until such time as reassignment to the home school is appropriate as determined by the superintendent or his/her designee. A disciplinary reassignment may continue for a period up to and including that which could be imposed for a long-term suspension. In addition, if the offense(s) leading to the disciplinary reassignment occurs during the final quarter of the school year, the reassignment may include a period up to the remainder of the school year in which the offense was committed and the first semester of the following school year.

In the event of any conflict, inconsistency, or omission involving this printed Student Code of Conduct and Board Policies, those policies shall control. Board Policies may be viewed on the CCS website at www.ccs.k12.nc.us, and are incorporated in this Student Code of Conduct by reference.

VIOLATIONS & CONSEQUENCES

Violations of the Student Code of Conduct shall be dealt with in accordance with the guidelines established in the school's behavior management plan (see Policy 4302 - School Plan for Management of Student Behavior).

Minor Violations

Minor violations of the Student Code of Conduct are those less severe infractions which involve a lower degree of dangerousness and harm. Examples of minor violations include the use of inappropriate or disrespectful language, noncompliance with a staff directive, dress code violations and minor physical altercations that do not involve weapons or injury. Aggravating circumstances, however, may justify treating an otherwise minor violation as a serious violation.

Minor violations of the Student Code of Conduct may result in disciplinary measures or responses up to and including short-term suspension. Further information regarding the procedures for short-term suspensions is provided in Policy 4351 - Short-Term Suspension. Other disciplinary measures or responses may include, but are not limited to, the following:

1. parental involvement, such as conferences;
2. time-out for short periods of time;
3. behavior improvement agreements;

9. detention before and/or after school or on Saturday;
10. community service;
11. exclusion from graduation ceremonies;
12. exclusion from extracurricular activities;
13. suspension from bus privileges;

The parent or guardian is responsible for transportation that may be required to carry out the consequence. With the exception of suspension from bus privileges, if a parent or guardian is unable to provide transportation, another consequence will be substituted.

Serious Violations

Serious violations of the Student Code of Conduct may result in disciplinary reassignment or any of the other consequences which may be imposed for minor violations. In addition, serious violations that either (1) threaten the safety of students, staff or school visitors or (2) threaten to substantially disrupt the educational environment may result in long-term suspension or expulsion. Certain violations involving firearms or explosive devices may result in a 365-day suspension. Further information about the procedures for disciplinary reassignments is provided in Policy 4354 - Disciplinary Reassignments.

Information regarding the standards and procedures for long-term suspensions, 365-day suspensions and expulsions is provided in Policies 4351 - Short-Term Suspension and 4353 - Long-Term Suspension, 365-Day Suspension, Expulsion. (See also Policy 4333 - Weapons, Bomb Threats, Terrorist Threats and Clear Threats to Safety, for information regarding 365-day suspensions for certain firearms violations.)

Therefore, the Student Code of Conduct is applicable to incidents occurring on the school bus and at the bus stop area. While riding a school bus, students shall at all times comply with the directives of the school bus driver and all other rules outlined in this code of conduct. Failure to follow directives will result in suspension from riding the bus as determined by the principal/assistant principal.

CUMBERLAND COUNTY INTERSCHOLASTIC ATHLETICS

Participation in interscholastic sports is an important part of the educational experience in Cumberland County Schools (CCS). Education-based athletics serve as an extension of the classroom and help teach students character and self-discipline skills that will enable them to develop to their highest potential.

As role models for their peers and younger students, those who participate in athletics are held to the highest standards of CCS at all times. Because of the public nature of the athletic programs sponsored by CCS, participating students are representatives of the school system and are expected to conduct themselves in a manner that will reflect the high standards and ideals of their school and community.

All participating students should follow the Student and Athletic Codes of Conduct upon the students' first day of school and through graduation from high school. These codes remain in effect at all times during the calendar year, including summer months, whether on or off campus.

Student athletes are expected to follow all rules in the CCS Code of Conduct, Cumberland County Athletic Code of Conduct, NCHSAA Handbook, and individual school rules at all times.

All rules contained in these handbooks are minimum standards. The coaches, athletic directors, and principals maintain the discretion to require additional expectations.

PROVISIONS FOR ENFORCEMENT

STUDENT ADMISSIONS

In accordance with G.S. 115C-366

(a4) When a student transfers into the public schools of a local school administrative unit, that local Board of Education shall require the student’s parent, guardian, or custodian to provide a statement made under oath of affirmation before a qualified official indicating whether the student is, at the time, under suspension or expulsion from attendance at a private or public school in this or any other state or has been convicted of a felony in this or any other state. This subsection does not apply to the enrollment of a student who has never been enrolled in or attended a private or public school in this or any other state.

(a5) Notwithstanding any other law, a local Board of Education may deny admission to or place reasonable conditions on the admission of a student who has been suspended from a school under G.S. 115C-390.5 through G.S. 115C-390.10 or who has been suspended from a school for conduct that could have led to a suspension from a school within the local school administrative unit where the student is seeking admission until the period of suspension has expired. Also, a local Board of Education may deny admission to or place reasonable conditions on the admission of a student who has been expelled from a school under G.S. 115C-390.11 or who has been expelled from a school for behavior that indicated the student’s continued presence in school constituted a clear threat to the safety of other students or staff as found by clear and convincing evidence, or who has been convicted of a felony in this or any other state. If the local Board of Education denies admission to a student who has been expelled or convicted of a felony, the student may request the local Board of Education to reconsider that decision in accordance with G.S. 115C-390.12.

DUE PROCESS

The Board of Education mandates and the law requires that all students be treated fairly and honestly in resolving grievances, complaints, or suspensions/expulsions. Due process will be defined as fair and reasonable notices and approaches to all areas of student governance and discipline on the part of all school officials. The principal shall give full and complete consideration to the defense or excuses, if any, made by the student and dismiss the charges if not satisfied as to the guilt of the student or reduce the punishment if not satisfied as to reasonableness of the proposed disciplinary action under all the circumstances. Due process procedures will be followed in accordance with Policies 4351, 4353, 4370. A summary of those procedures is provided below. Students and parents should consult the relevant policy for complete information.

When deciding whether to recommend or impose a disciplinary reassignment or long-term suspension, the principal and superintendent may consider the student's intent, disciplinary and academic history, the potential benefits to the student of alternatives to a disciplinary reassignment or a long-term suspension, and other mitigating or aggravating factors.

Mitigating and Aggravating Factors

When considering the appropriate consequence for specific student misconduct, administrators may consider any relevant mitigating or aggravating factors, including, but not limited to, the student's intent, disciplinary and academic history, and the potential benefits to the student of alternatives to suspension.

1. **Mitigating Factors** may include, but are not limited to:

- e. A pattern or history of disciplinary infractions
- f. School based interventions were implemented but student's behavior did not improve
- g. The misconduct was associated with gang activity
- h. The victim of the misconduct is a teacher or other staff member
- i. Victimizing a significantly younger or smaller student or a student with a known or obvious mental or physical disability

A. SHORT-TERM SUSPENSIONS (10 DAYS OR LESS) (Policy 4351)

Students will be given an opportunity for an informal hearing with the principal/assistant principal before a short-term suspension is imposed. Except in the circumstances described below, a student must be provided an opportunity for an informal hearing with the principal/assistant principal before a short-term suspension is imposed. The principal/assistant principal may hold the hearing immediately after giving the student oral or written notice of the charges against him or her. At the informal hearing, the student has the right to be present, to be informed of the charges and the basis for the accusations and to make statements in defense or mitigation of the charges. Following the hearing, the principal/assistant principal shall provide written notice to the parent of his or her final decision. Initial notice may be by telephone, but it must be followed by written notice no later than two (2) days after the suspension is imposed.

1. TEMPORARY (IMMEDIATE) SUSPENSION

If the principal/assistant principal witnesses or is made aware of serious student misconduct and believes that immediate removal of the student is necessary to restore order or to protect school property or persons on the school grounds, the principal/assistant principal may suspend the student immediately. In such cases, the principal/assistant principal is not required to conduct a full investigation before suspending the student. In all cases, the minimal due process informal hearing for short term suspensions must be given to the student as soon as is reasonably possible, usually the following school day.

2. NOTICE TO PARENT OR GUARDIAN THAT A SHORT-TERM SUSPENSION HAS BEEN IMPOSED

The school administrator will notify the student's parent or guardian in writing that a short-term suspension has been imposed. If English is the second language of the parent, the notice must be provided in English and in the parent's primary language, when the appropriate foreign language resources are readily available. Both versions must be in plain language and easily understandable. The notice will explain why the student has been suspended and will describe the student's misconduct. The notice will be provided on the day of the suspension when reasonably possible, but no later than two days after the suspension is imposed.

3. REVIEW OF SHORT-TERM SUSPENSION PROCEDURE

If the parent believes that the principal/assistant principal failed to provide the student with sufficient notice of the charges or opportunity to respond to the charges, then the parent shall have five (5) school days from the date of the principal's/assistant principal's decision to make a written request to the superintendent or his/her designee for a review of the suspension procedure. **There shall be no right to appeal a short-term suspension to the Board of Education.**

B. DISCIPLINARY REASSIGNMENTS (Policy 4354)

Students may be reassigned to an alternative program or school as a disciplinary consequence. The alternative program or school will meet the requirements of the standard course of study and provide the student the opportunity to make timely progress toward grade promotion and graduation. Assignment to an alternative education program is not considered a long-term suspension and will not be reflected as a long-term suspension in the student's academic records. As applicable, Mitigating and Aggravating Factors as set forth above should be considered before imposing a Disciplinary Reassignment.

1. Before recommending a student for a disciplinary reassignment, the student will be provided the due process procedures applicable to short-term suspensions, described above.
2. The principal/assistant principal will provide the student with the due process procedures applicable for short-term suspensions.
3. If the principal recommends a disciplinary reassignment, he/she shall submit such recommendation to the Associate Superintendent, Student Support Services, for approval/disapproval.
4. A student attending school under a disciplinary reassignment is not eligible for athletic participation and is not permitted on his/her home school campus without prior permission from the principal.

5. The parent shall be provided an opportunity to present any further information to the Associate Superintendent, Student Support Services, regarding the proposed disciplinary reassignment through a Request for a Review of a Disciplinary Reassignment form provided by the principal. The form must be submitted to the Cumberland County Schools' Student Assignment Office within two (2) school days of the school administrative hearing in order to schedule a Review Hearing. It is recommended that the student on whose behalf the Review Hearing has been requested be present at the hearing in order to provide information related to the underlying incident(s). While attending the Review Hearing the student will not be considered in violation of any accompanying no-trespass directive.
6. A student is not entitled to appeal a decision to impose a disciplinary reassignment to the local Board of Education.
7. In addition to the compulsory attendance law, if the student fails to enroll in and regularly attend the alternative educational setting as reassigned, or other appropriate school (e.g. private or charter school, North Carolina Virtual Public School, etc.), the disciplinary reassignment will continue until such time as reassignment to the home school is appropriate as determined by the superintendent or his/her designee. A disciplinary reassignment may continue for a period up to and including that which could be imposed for a long-term suspension. In addition, if the offense(s) leading to the disciplinary reassignment occurs during the final quarter of the school year, the reassignment may include a period up to the remainder of the school year in which the offense was committed and the first semester of the following school year.

C. LONG-TERM SUSPENSION, 365-DAY SUSPENSION, EXPULSION (Policy 4353)

As applicable, Mitigating and Aggravating Factors as set forth above should be considered before imposing a Long-term Suspension, 365-day Suspension, or Expulsion.

1. Long-term suspension, 365-Day suspension, and expulsion procedures will be followed in accordance with Policy 4353. These procedures include the right to written notice of the proposed discipline and the right to request a full hearing before the disciplinary penalty is imposed.
2. The school administrative hearing shall be held not less than two (2) school days from the date the Notice of Charges and Hearing was mailed or hand delivered to the parent or legal custodian.
3. A principal may recommend to the superintendent the long-term suspension of any student who willfully engages in conduct that violates a provision of the Student Code of Conduct that authorizes long-term suspension. Only the superintendent or his/her designee has the authority to long-term suspend a student.
4. Students subject to Long-term Suspension, 365-day Suspension, or Expulsion possess Board appeal and hearing rights pursuant to Policy 4353(B)(4), which may be viewed on the CCS website at: www.ccs.k12.nc.us

PROHIBITION AGAINST BULLYING AND HARASSMENT

The Board of Education believes that all students can learn better in a safe school environment. Cumberland County Schools is committed to ensuring that our students are free from bullying or harassing behavior while at school. Behavior that infringes on the safety of students will not be tolerated. Students and parents are encouraged to report any incidents to school administration as set forth in our anti-bullying and harassment policies and procedures that may be viewed on the CCS website at: www.ccs.k12.nc.us

SAFE AND CARING SCHOOLS

It is the position of the Cumberland County Board of Education to promote the safety and well-being of all students, staff, and visitors in our schools. To further that position, school personnel may employ appropriate seclusion and restraint techniques with students consistent with N.C.G.S 115C-391.1, state and local policies and procedures. The superintendent or his/her designee will provide copies of N.C.G.S. 115C-391.1 to parents/guardians and school personnel at the beginning of each year through the Cumberland County Schools' website or other appropriate method.

SAFE AND DRUG-FREE SCHOOLS

In an effort to create in each of our schools an environment highly conducive to learning and in compliance with Safe and Drug-Free Schools Act of 1994 – Title IV, Cumberland County schools provide comprehensive, age-appropriate, developmentally-based drug abuse and violence prevention education for all students from preschool level through grade 12. School-based Student Services teams provide case management, intervention, and referral services and will ensure re-entry into school after treatment for those students who are otherwise entitled to services provided by the Cumberland County Board of Education.

STUDENT DRESS CODE

The Cumberland County Board of Education (Board) believes that the dress and personal appearance of students greatly affect their academic performance and their interaction with other students subject to Policies 4316/4302/4315. The Board requests that parents outfit students in clothing that will be conducive to learning. Generally, dress and grooming standards as determined by the student and his or her parents will be deemed acceptable. However, the Board prohibits appearance or clothing that does the following:

1. violates a reasonable dress code adopted and publicized by the school, including a uniform dress code approved by the Board;
2. is substantially disruptive;
3. is provocative or obscene;
4. endangers the health or safety of the student or others;
5. promotes products or activities that are illegal for use by minors

Each local school will establish and publish a dress code applicable to that school. A student who is not in compliance with these policies or a school dress code will be given a reasonable period of time to make adjustments so that he or she will be in compliance. Examples of prohibited clothing include without limitation attire that depicts, promotes, or advertises gang affiliation, offensive words or designs, illegal activity, or the sale, possession, or consumption of illegal drugs, alcoholic beverages or tobacco products, sagging pants, masks, or clothing which contains messages or images which cause, contribute to, or constitute sexual harassment.

Although individual school dress codes may contain certain restrictions on head coverings, consistent with Board of Education Policies 1710, 1730, 3510 and 3515, the Cumberland County Schools will allow students to wear head coverings if they are an expression of a sincerely held religious belief or to reasonably accommodate medical or disability-related issues.

Notwithstanding any other provision of an individual school dress code or this Student Code of Conduct, NO student will receive an out of School Suspension SOLELY on the basis of a dress code violation.

In the event of any conflict between this Student Code of Conduct and an individual school dress code, this Student Code of Conduct shall control.

The Wearing of Masks in Response to COVID-19 or Other Health Concerns

Any masks worn in schools in response to COVID-19 or other health concerns may not contain or depict messages or images that would otherwise be prohibited under Policy Code 4316, "Student Dress Code." Examples of prohibited messages or images are those which are provocative or obscene, substantially disruptive, or which promote or depict illegal activity.

USE OF PERSONAL TECHNOLOGY ON SCHOOL SYSTEM PROPERTY

Each principal may establish rules for his or her school site as to whether and how personal technology devices (including, but not limited to smart phones, tablets, laptops, etc.) may be used on campus. The school system assumes no responsibility for personal technology devices brought to school.

EXPECTATIONS FOR REMOTE LEARNING/VIRTUAL CCS

The standards for behavior and classroom expectations for the virtual (online) classroom environment are as important as the classroom environment in our traditional settings. The virtual classrooms are real classrooms with real teachers, therefore, appropriate student behavior is an expectation aligned with our Strategic Plan: Priority 3, Exceptional Environment.

The following standards and rules, although not intended to be all inclusive, govern these expectations and must be followed:

1. When students are in front of the camera on their device, they must be in appropriate dress as outlined in School Board policy 4316 Student Dress Code and School Board policy 4300 Student Code of Conduct.
2. Students may not use any communication that will degrade, disrespect, or that is abusive in nature, whether by signs, symbols, or gestures in the classroom environment. Any form of profanity/vulgarity is prohibited.
3. Students should demonstrate respect toward all other students, faculty and staff members.
4. Students are expected to log in to their student accounts and individually complete classroom work.
5. Students should work remotely from home in an area free from distractions and where the learning of others is not disrupted with visuals in the room and/or others in the room who are not invited.
6. Respect each student's right to learn.
7. Students should not send unsolicited e-mail to other CCS classmates. All forms of communication should be course-related in nature.
8. Students should participate in online learning only in their classroom unless invited to another session by the teacher.
9. Violations of these expectations will result in disciplinary action pursuant to this Student Code of Conduct and may result in the exclusion of the student from the virtual classroom environment.
