## ***In Observance of National Disabilities Awareness Month ...***

*Cumberland County Schools spotlights Occupational Course of Study students  
who are serving up lattes, frappes & muffins while getting  
valuable job skills training*

**WHAT: *Students in the Occupational Course of  
Study Operating a Café to Prep for 'the Real  
World'***

**WHEN:**

Monday, March 7, 2022  
10:00 a.m.

**WHERE:**

Pine Forest High School -- *The Trojan Café*  
525 Andrews Road  
Fayetteville, NC 28311

**WHY:**

To make the public aware that CCS provides work-based learning experiences for all of its students so that they will be employable after graduation

**ADDITIONAL INFORMATION:**

- The 18 students who work in the Trojan Café take and fill orders, collect payments and provide customer service to their patrons.
- Similar café programs thrive at Cape Fear, Seventy-First, Jack Britt, Terry Sanford, Gray's Creek and Westover High Schools.

- The school-based café labs were donated by Miller's Crew, a local non-profit organization that provides vocational training to help prepare young adults with developmental disabilities for life after high school.
