Join the Cumberland County Public Schools team – become a high-impact literacy tutor and help students learn to read!

[NC Education Corps](#) is recruiting its next cohort of high-impact literacy tutors to support students in Cumberland County Schools throughout the 2022-2023 school year. Corps members are employed (yes, paid!) by CCS to serve as part-time literacy tutors — adding critical capacity in elementary classrooms across North Carolina.

Tutors will receive high-dosage tutor training and ongoing support from NC Education Corps and CCS. The pay rate for this role ranges from \$15 - \$25/hour dependent on experience.

An ideal tutor is someone who is:

- Passionate about supporting students, teachers, and public schools.
- Flexible enough to commit at least three days a week (15 - 20 hours/week).
- Positive, upbeat, and excited to make a difference.

We know that your potential to make a difference in a child's life is defined by your capacity to be there and encourage individuals of all backgrounds to apply, even if you don't have a degree or experience in education.

Interested individuals can learn more and apply at
