Cumberland County Schools and Local Community College Welcome Blue Ridge Power's PowerUp Workforce Development Program

*Local school district, Blue Ridge Power and Fayetteville Technical Community
College partner to prepare students for the workforce*

Fayetteville, N.C. – Cumberland County Schools (CCS) will be joining Blue Ridge Power (BRP) and Fayetteville Technical Community College (FTCC) from 10 a.m. - 11:30 a.m. on Wednesday, July 20, 2022, at BRP's Fayetteville office (1682 Middle River Loop, Fayetteville, N.C. 28312) for the launch of Blue Ridge Power's [PowerUp Workforce Development Program](#).

The event will be held to celebrate their new partnership and the commencement of BRP's PowerUp Academy. The PowerUp Academy is BRP's unique training program which provides critical on-the-job training to newly hired craft employees who are seeking a future career in the solar construction industry.

During the launch event, attendees may participate in an optional tour of BRP's training facilities and speak with students who are participating in the program. Parking will be available on site.
