CCS Home Base Parent Portal
Parents of CCS' students have 24/7 access to set up a parent portal account in the Home Base Parent Portal powered by PowerSchool at https://cumberland.powerschool.com/public/home.html. Schools can provide parent portal access code letters to parents/guardians. Parents can link their students to their accounts so they only have one login to access students at multiple schools. Parents have access to assignment information, grades, attendance and bus information. This valuable tool provides parents a "real-time" view of their student's progress. If you have specific questions about the Home Base Parent Portal, please contact your child's school directly.
